SECOND LIEN TRADEMARK SECURITY AGREEMENT

This Second Lien Trademark Security Agreement (this "Agreement"), dated as of September 30, 2016, is entered into by the undersigned (the "Grantor") in favor of Goldman Sachs Bank USA as Administrative Agent (together with its successors, in such capacity, the "Administrative Agent") for the benefit of the Secured Parties (as defined in the Second Lien Pledge and Security Agreement described below).

WHEREAS, the Grantor has executed and delivered that certain Second Lien Pledge and Security Agreement, dated as of September 30, 2016, in favor of the Administrative Agent (as the same may be amended, restated, amended and restated or otherwise modified, the "Second Lien Pledge and Security Agreement"), pursuant to which the Grantor has granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Grantor's right, title, and interest in and to the Trademark Collateral (as defined below).

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor and the Administrative Agent hereby agree as follows:

SECTION 1. **Defined Terms**. Capitalized terms not otherwise defined herein have the meanings set forth in the Second Lien Pledge and Security Agreement or the Credit Agreement.

SECTION 2. **Grant of Security Interest**. The Grantor hereby collaterally assigns, grants, mortgages and pledges to the Administrative Agent, for the benefit of the Secured Parties, and hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in all of the following property now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title, or interest and wherever the same may be located (collectively, the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Grantor's Obligations (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of such Obligations):

- (i) all registered United States trademarks, trade names, trade dress, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, designs and general tangibles of a like nature, in each case registered or recorded with (or applications for registration or recordation) the United States Patent and Trademark Office, including, without limitation, any of the foregoing referred to on Schedule A and all rights corresponding thereto throughout the United States;
- (ii) all of the goodwill of the business connected with the use of and symbolized by the foregoing;
- (iii) all extensions and renewals of the foregoing;
- (iv) the right to sue or otherwise recover for any past, present and future infringement, dilution, or other violation of any of the foregoing or for any injury to goodwill; and

(v) all proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit now or hereafter due and/or payable with respect thereto;

provided, however, that (i) the foregoing shall not include any “intent-to-use” Trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark application under applicable federal law and (ii) the Trademark Collateral shall not include any Excluded Assets.

SECTION 3. **Security Agreement**. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the ratable benefit of the Secured Parties pursuant to the Second Lien Pledge and Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Second Lien Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Second Lien Pledge and Security Agreement, the provisions of the Second Lien Pledge and Security Agreement shall control.

SECTION 4. **Release**. The Liens granted by the Grantor hereunder shall terminate concomitantly with the Liens granted by the Grantor under the Second Lien Pledge and Security Agreement in accordance with its terms.

SECTION 5. **Recordation**. The Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Agreement.

SECTION 6. **Governing Law**. This agreement and the rights and obligations of the parties hereunder and any claim or controversy relating hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York without regard to conflict of laws principles that would require application of the laws of another jurisdiction.

SECTION 7. **Counterparts**. This Agreement may be executed in any number of counterparts (including by telecopy or .pdf), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
