Capitalized terms used herein but not defined otherwise shall have the meaning ascribed to such terms in the Purchase Agreement (as defined below).

WHEREAS, BorgWarner PDS (Indiana) Inc., a Delaware corporation (“BorgWarner”), Remy Holdings International LLC, a Delaware limited liability company, solely for purposes of those provisions of the Purchase Agreement that set forth covenants or agreements of BorgWarner Parent, BorgWarner Inc., a Delaware corporation, and solely for purposes of those provisions of the Purchase Agreement that set forth covenants or agreements of Buyer Guarantor, Brake Parts Inc LLC, a Delaware limited liability company, are parties to that certain Equity Purchase Agreement dated October 1, 2016 (the “Purchase Agreement”), pursuant to which BorgWarner agreed to enter into that certain Contribution Agreement, to be dated as of the Closing Date (the “Contribution Agreement”), by and among BorgWarner, each of the person signatories thereto, and Assignee;

WHEREAS, Assignor is the owner of the trademarks, trademark registrations and applications for trademark registration, each as set forth on Schedule A hereto (collectively, the “Trademarks”); and

WHEREAS, Assignee is an Affiliate of BorgWarner, and pursuant to the Contribution Agreement Assignee desires to purchase and take assignment of all of Assignor’s rights, titles and interests in and to the Trademarks, and the goodwill of the business symbolized thereby.

NOW THEREFORE, for the consideration stated in the Contribution Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Effective as of the date hereof, Assignor sells, transfers, conveys, assigns and delivers to Assignee and Assignee accepts all right, title and interest of Assignor in and to: (i) the Trademarks set forth in Schedule A hereto, together with all goodwill associated therewith, and any and all common law rights, copyrights and other intellectual property rights therein; (ii) all extensions and renewals of any application, registration or filing for the Trademarks; (iii) all income, royalties, damages, claims, and payments now or hereafter due or payable under and with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements and other violations thereof; (iv) all rights to sue for past, present, and future infringements and other violations of any of the foregoing, including the right to settle suits involving claims and demands for royalties owing; (v) all rights corresponding to any of the foregoing throughout the world; and (vi) the right to assign the rights conveyed herein, the same to be held and enjoyed by Assignee for its own use and benefit, and for the benefit of its successors, assigns, and legal representatives.

2. Assignor authorizes and requests the Commissioner of the United States Patent and Trademark Office, and any official of any country or countries foreign to the United States, whose duty is to issue trademark registrations or other evidence or forms of intellectual property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Trademark Assignment.

3. Except as set forth in in the Purchase Agreement or the Contribution Agreement, Assignor makes no warranties, express or implied, with respect to the Trademarks.

4. This Trademark Assignment may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Trademark Assignment by electronic mail or facsimile shall be as effective as delivery of a manually executed counterpart of this Trademark Assignment. Assignor hereby authorizes the division by Assignee of the information provided in Schedule A in order to facilitate the conveyance, transfer and assignment, consolidation, vesting, and recording in Assignee of full ownership of the Trademarks on a jurisdiction by jurisdiction basis.

5. No provision of this Trademark Assignment may be amended, supplemented or modified except by a written instrument making specific reference hereto signed by all the parties.

6. This Trademark Assignment (and any causes of action, Actions, controversies or disputes that may be based upon, arise out of or relate hereto or thereto, to the transactions contemplated hereby, to the negotiation, execution or performance hereof or thereof, or to the inducement of any party to enter herein and therein, whether for breach of contract, tortious conduct or otherwise and whether predicated on common law, statute or otherwise) shall in all respects be governed by, and construed and enforced in accordance with, the Requirements of Law of the State of Delaware, including all matters of construction, validity and performance, in each case without reference to any conflict of law rules that might lead to the application of the Requirements of Law of any other jurisdiction and without the requirement to establish commercial nexus in Delaware.

7. Assignor and Assignee agree that any dispute with respect to this Trademark Assignment shall be resolved, only in the courts of the State of Delaware or the United States District Court for Delaware and the appellate courts having jurisdiction of appeals in such courts. In that context, and without limiting the generality of the foregoing, both Assignor and Assignee by this Trademark Assignment irrevocably and unconditionally: (i) submits for itself and its property in any Action relating to this Trademark Assignment, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of Delaware, the United States District Court for Delaware, and appellate courts having jurisdiction of appeals from any of the foregoing, and agrees that all claims in respect of any such Action shall be heard and determined in such Delaware State court or, to the extent permitted by Requirements of Law, in such federal court; (ii) consents that any such Action may and shall be brought in such courts and waives any objection that it may now or hereafter have to the venue or jurisdiction of any such Action in any such court or that such Action was brought in an inconvenient court and agrees not to plead or claim the same; (iii)

agrees that service of process in any such Action may be effected by mailing a copy of such process by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party at its address as provided underneath such party's signature to this Trademark Assignment; and (iv) agrees that nothing in this Trademark Assignment shall affect the right to effect service of process in any other manner permitted by the Requirements of Law of the State of Delaware.

8. The Purchase Agreement, this Trademark Assignment, the other Ancillary Agreements, the Disclosure Letter, the Buyer Disclosure Letter, the exhibits and schedules referred to in the Transaction Agreements, the documents delivered pursuant hereto and the Confidentiality Agreement contain the entire understanding of the parties hereto with regard to the subject matter contained herein or therein, and supersede all other prior discussions, negotiations, proposals, undertakings, representations, warranties, agreements, understandings or letters of intent, whether written or oral, between or among any of the parties hereto. In the event of a conflict between this Agreement and the Purchase Agreement or the Contribution Agreement, the Purchase Agreement shall take precedence, followed by the Contribution Agreement.
