## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”), dated as of December 1, 2016, among the Persons listed on the signature pages hereof (each a “Grantor” and collectively the “Grantors”), and BANK OF AMERICA, N.A., as collateral agent for the Secured Parties (in such capacity, together with its successors in such capacity, the “Collateral Agent”).

A. Capitalized terms used herein and not otherwise defined herein (including terms used in the preamble and the recitals) shall have the meanings assigned to such terms in the Security Agreement, dated as of December 1, 2016 (as the same may be amended, supplemented, amended and restated or otherwise modified from time to time, the “Security Agreement”) among **GREENEDEN U.S. HOLDINGS I, LLC**, a Delaware limited liability company (“Holdings”), **GREENEDEN U.S. HOLDINGS II, LLC**, a Delaware limited liability company (the “Borrower”), **GENESYS TELECOMMUNICATIONS LABORATORIES, INC.**, a California corporation (the “U.S. Co-Borrower”), each of the Subsidiaries of the Borrower listed on Annex A hereto or that becomes a party hereto pursuant to Section 7.13 hereof (each such Subsidiary, individually, a “Subsidiary Grantor” and, collectively, the “Subsidiary Grantors”; and together with Holdings and each of the Borrowers, collectively, the “Grantors”) and **BANK OF AMERICA, N.A.**, as Collateral Agent.

B. The rules of construction and other interpretive provisions specified in Sections 1.2, 1.5, 1.6, 1.7, 1.8 and 1.11 of the Credit Agreement shall apply to this Trademark Security Agreement, including terms defined in the preamble and recitals hereto.

C. Pursuant to Section 4.4(e) of the Security Agreement, the Grantors have agreed to execute or otherwise authenticate and deliver this Trademark Security Agreement for recording the Security Interest granted under the Security Agreement to the Collateral Agent in such Grantors’ U.S. Recordable Intellectual Property with, as applicable, the United States Patent and Trademark Office (“USPTO”) or the United States Copyright Office (“USCO”), necessary to perfect the Security Interest hereunder in such U.S. Recordable Intellectual Property.

Accordingly, the Collateral Agent and the Grantors agree as follows:

SECTION 1. Grant of Security. The Grantors hereby grant to the Collateral Agent for the benefit of the Secured Parties a security interest in all of such Grantors’ right, title and interest in and to the United States trademark registrations and applications and exclusive licenses thereof (including all goodwill associated therewith or symbolized thereby), but excluding any “intent-to-use” trademark application filed with the USPTO prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, of such Grantors, including those set forth in Schedule A hereto, including all rights to sue at law or in equity for any past, present, or future infringement, misappropriation, dilution, violation, misuse or other impairment thereof or unfair competition therewith, to receive and collect injunctive or other equitable relief and damages and compensation, and to receive and collect Proceeds therefrom (collectively, the “Trademark Collateral”).

SECTION 2. Security for First Lien Obligations. The grant of a security interest in the Trademark Collateral by the Grantors under this Trademark Security Agreement secures the payment of all amounts that constitute part of the First Lien Obligations and would be owed to the Collateral Agent or the Secured Parties but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving the Grantors.

SECTION 3. Recordation. The Grantors authorize and request that the Commissioner for Trademarks record this Trademark Security Agreement.

SECTION 4. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. The Grantors hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed by one or more of the parties to this Trademark Security Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (i.e. a "pdf" or "tif")), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

**SECTION 6. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

SECTION 7. Severability. Any provision of this Trademark Security Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and in the Security Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 7.2 of the Security Agreement. All communications and notices hereunder to the Grantors shall be given to it in care of the Borrower at the Borrower's address set forth in Section 13.2 of the Credit Agreement (whether or not then in effect).

SECTION 9. Expenses. To the extent the Borrower would be required to do so pursuant to Section 13.5 of the Credit Agreement (whether or not then in effect) or any comparable provision of any Additional First Lien Agreement, the Grantors agree to reimburse the Collateral Agent for its reasonable and documented out-of-pocket expenses in connection with this Trademark Security Agreement, including the reasonable and documented fees, other charges and disbursements of counsel for the Collateral Agent.

[SIGNATURE PAGE FOLLOWS]
