NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Grant of Security Interest. As security for all of the Secured Obligations, Borrower hereby transfers, assigns, hypothecates to Heller and grants to Heller, a security interest in all of the following property now owned or at any time hereafter acquired by the Borrower or in which the Borrower now has or at any time in the future may acquire any right, title or interest (collectively, the "Collateral"):

2. Representations and Warranties. The Borrower hereby represents and warrants that as of the date hereof, Schedule I hereto includes all registered Trademarks and Trademark Licenses owned by the Borrower in its own name as of the date hereof (excluding those registered or existing in countries other than the United States of America). To the best of the Borrower's knowledge, each registered Trademark is valid, subsisting, enforceable and has not been abandoned and the registrations thereof have not expired. Except in the ordinary course of Borrower's business, none of such registered Trademarks has been licensed or franchised to any third party. No holding, decision or judgment has been rendered by any court or Governmental Agency in any litigation, action, investigation or like proceeding to which the Borrower was or is a party which would limit, cancel or question the validity of any Trademark and the Borrower has no knowledge of any action or proceeding which would limit, cancel or question the validity of any Trademark, in either case which has had or is likely to have, when aggregated with all other such holdings, decisions or judgments, a material adverse effect upon the Borrower's business.

3. Incorporation of Security Agreement. Borrower does hereby further acknowledge and affirm that the representations, warranties and covenants of Borrower with respect to the Collateral and the rights and remedies of Heller with respect to the security interest in the Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. Heller's Appointment as Attorney-in-Fact. The Borrower hereby irrevocably constitutes and appoints Heller and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Borrower and in the name of the Borrower or in its own name, from time to time in Heller's discretion, for the purpose of carrying out the terms of this Agreement and the Security Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, the Borrower hereby gives Heller the power and right, on behalf of the Borrower, without notice to or assent by the Borrower, to do the following upon the occurrence and during the continuance of any Event of Default and acceleration of the Secured Obligations: (A) to assign any Trademark (along with the

REEL 1303 FRAME 393

goodwill of the business to which any such Trademark pertains), to any Person throughout the world for such term or terms, on such conditions, and in such manner, as Heller shall in its sole discretion determine; (B) to execute and deliver to any office in which any of the Trademarks is registered any and all documents necessary to transfer and assign all of Borrower's right, title and interest in, including goodwill, and to the Collateral to Heller; and (C) generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Heller were the absolute owner thereof for all purposes, and to do, at Heller's option and the Borrower's expense, at any time, or from time to time, all acts and things which Heller deems necessary to protect, preserve or realize upon the Collateral and the Liens of Heller thereon and to effect the intent of this Agreement, all as fully and effectively as the Borrower might do.

Heller agrees that, except upon the occurrence and during the continuation of an Event of Default, it will not exercise the power of attorney or any rights granted to Heller pursuant to this Section 4 except to exercise the rights granted pursuant to Section 7 hereof.

The Borrower hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable until the Secured Obligations are paid in full.

5. Powers Coupled with an Interest. All authorizations and agencies contained in Sections 4 and 7 hereof with respect to the Collateral are irrevocable and powers coupled with an interest.

6. Term. This Agreement shall terminate upon payment in full of all Secured Obligations and termination of the Credit Agreement. Upon termination of this Agreement, Heller shall, at the expense of Borrower, execute and deliver to Borrower all such releases and termination statements as may be reasonably necessary.

7. Additional Trademarks, Etc. If at any time before the termination of this Agreement pursuant to Section 6 hereof, Borrower shall obtain or acquire rights to any new trademark or trademark application, whether under a license or otherwise (other than a trademark arising under the laws of a country other than the United States), the provisions of Section 1 shall automatically apply thereto and Borrower shall give Heller prompt written notice thereof. Borrower authorizes Heller to modify this Agreement by amending Schedule J to include any future trademarks, trademark applications and trademark licenses covered by Section 1 or by this Section 7 of this Agreement.

8. Further Assurances. Heller may at any time record or file this Agreement with the appropriate U.S. Patent and Trademark Office in order to perfect or recognize the security interests

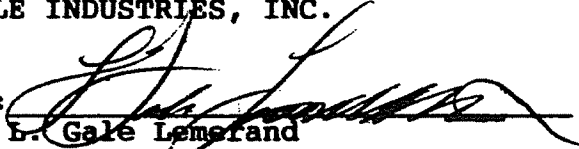

provided for herein. In furtherance of the foregoing, Borrower, upon the request of Heller will execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such further instruments and agreements and do such further acts as may be necessary, desirable, or proper to carry out more effectively the purpose of this Agreement and to subject to the terms hereof any property intended to be covered hereby.

9. Further Incorporation of Security Agreement. Borrower does hereby further acknowledge and affirm that the sections of the Security Agreement entitled "Notices," "Severability," "No Waiver; Cumulative Remedies," and "Successors and Assigns; Governing Law," are incorporated by reference herein as if fully set forth herein.
