TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as the same may hereafter be amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “**Trademark Security Agreement**”) is made as of June 26, 2017 by ALEX TOYS, LLC (“**Grantor**”), in favor of BANK OF AMERICA, N.A. (“**Agent**”) as agent for the financial institutions and other Persons (the “**Lenders**”) from time to time party to the Loan and Security Agreement described below. Capitalized terms used but not defined herein shall have the respective meanings given thereto in the Loan and Security Agreement.

W I T N E S S E T H

WHEREAS, pursuant to that certain Loan and Security Agreement dated as of the date hereof, among ALEX TOYS, LLC (“**Alex**”) and POOF-SLINKY, LLC (“**PSLLC**”) and together with Alex, collectively, the “**Borrowers**”), as borrowers thereunder, the Guarantors party thereto, Agent and the Lenders (as the same may hereafter be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Loan and Security Agreement**”), the Lenders have agreed to make certain Loans and extend certain other financial accommodations to or for the benefit of the Grantor; and

WHEREAS, pursuant to the Loan and Security Agreement, the Grantor granted to Agent, for the benefit of the Secured Parties, a continuing security interest in, among other Collateral, certain Intellectual Property of the Grantor, including Trademarks, and have agreed to execute this Agreement for recording with the U.S. Patent and Trademark Office and any other appropriate Governmental Authorities;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees with the Agent as follows:

1. Grant of Security. To secure the prompt payment and performance of the Obligations, Grantor hereby grants to Agent, for the benefit of the Secured Parties, a continuing security interest in and Lien upon all of the right, title and interest of Grantor in, to and under the following, wherever located, and whether now existing or hereafter arising or acquired from time to time (the “**Trademark Collateral**”):

(a) the trademark registrations and applications set forth in Schedule 1 hereto, together with the goodwill connected with the use of and symbolized thereby, and all extensions and renewals thereof (the “**Trademarks**”), excluding only United States intent-to-use trademark applications to the extent that and solely during the period in which the grant of a security interest therein would impair, under applicable federal law, the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

(b) all rights of any kind whatsoever of Grantor accruing under any of the foregoing provided by applicable Law of any jurisdiction, by international treaties and conventions or otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation. Grantor authorizes the Commissioner for Trademarks and any other appropriate Governmental Authorities to record this Trademark Security Agreement upon request by the Agent.

3. Loan Documents. The Loan and Security Agreement and the provisions thereof are hereby incorporated herein in their entirety by this reference hereto. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Loan and Security Agreement, the provisions of the Loan and Security Agreement shall control.

4. Execution in Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

5. Successors and Assigns. This Trademark Security Agreement shall be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Governing Law. This Trademark Security Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Trademark Security Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the laws of the United States and the State of New York, without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction).
