## CANADIAN TRADEMARK SECURITY AGREEMENT

This CANADIAN TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”) is made this 31<sup>st</sup> day of May, 2017, by and among Grantors listed on the signature pages hereof (collectively, jointly and severally, “Grantors” and each individually “Grantor”), and **GOLDMAN SACHS SPECIALTY LENDING GROUP, L.P.** (“GSSLG”), in its capacity as agent for the Lender Group and the Bank Product Providers (in such capacity, together with its successors and assigns in such capacity, “Agent”).

### WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement of even date herewith (as amended, restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”) by and among Vision IntermédiaireCie, Inc. / Vision IntermediateCo, Inc., as parent (“Parent”), Vision AcquisitionCie, Inc. / Vision AcquisitionCo, Inc. (prior to the Closing Date Acquisition, “Borrower”), upon consummation of the Closing Date Acquisition, Technologies 20-20 Inc. / 20-20 Technologies Inc. (as the continuing amalgamated entity of the Closing Date Acquisition, “Borrower”), the lenders party thereto as “Lenders” (each of such Lenders, together with its successors and permitted assigns, is referred to hereinafter as a “Lender”), and Agent, the Lender Group has agreed to make certain financial accommodations available to Borrower from time to time pursuant to the terms and conditions thereof;

WHEREAS, the members of the Lender Group, the Bank Product Providers and the Hedge Providers are willing to make the financial accommodations to Borrower as provided for in the Credit Agreement, the other Loan Documents, the Bank Product Agreements and the Hedge Agreements, but only upon the condition, among others, that Grantors shall have executed and delivered to Agent, for the benefit of the Lender Group, the Bank Product Providers and the Hedge Providers, that certain Canadian Guarantee and Security Agreement, dated as of May 31, 2017 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “Guarantee and Security Agreement”); and

WHEREAS, pursuant to the Guarantee and Security Agreement, Grantors are required to execute and deliver to Agent, for the benefit of Lender Group, the Bank Product Providers and the Hedge Providers, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Guarantee and Security Agreement or, if not defined therein, in the Credit Agreement, and this Trademark Security Agreement shall be subject to the rules of construction set forth in Section 1(b) of the Guarantee and Security Agreement, which rules of construction are incorporated herein by this reference, *mutatis mutandis*.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby unconditionally grants to Agent, for the benefit each member of the Lender Group and each of the Bank Product Providers, to secure such Grantor’s Secured Obligations, a

continuing security interest (referred to in this Trademark Security Agreement as the “Security Interest”) in all of such Grantor’s right, title and interest in and to the following (except for Excluded Assets), whether now owned or hereafter acquired or arising (collectively, the “Trademark Collateral”):

- (a) all of its Trademarks including those referred to on Schedule I;
- (b) Trademark; and all goodwill of the business connected with the use of, and symbolized by, each
- (c) all products and proceeds (as that term is defined in the PPSA) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark, including right to receive any damages, or (ii) injury to the goodwill associated with any Trademark.

3. SECURITY FOR SECURED OBLIGATIONS. The Security Interest created hereby by each Grantor party hereto secures the payment and performance of such Grantor’s Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations that would be owed by such Grantor to Agent, the other members of the Lender Group, the Bank Product Providers, the Hedge Providers or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Agent, for the benefit of the Lender Group, the Bank Product Providers and the Hedge Providers, pursuant to the Guarantee and Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Guarantee and Security Agreement, the Guarantee and Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantors’ obligations under this Section, Grantors hereby authorize Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any new registered Trademarks or application of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent’s continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement is a Loan Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be

deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

7. CHOICE OF LAW AND VENUE AND JURY TRIAL WAIVER. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE AND JURY TRIAL WAIVER SET FORTH IN SECTION 12 OF THE CREDIT AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.
