**RELEASE OF SECURITY INTEREST
IN INTELLECTUAL PROPERTY COLLATERAL**

This **RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY COLLATERAL** (this "Release"), dated as of July 24, 2017, is made by Bank of America, N.A., a national banking association, in its capacity as Administrative Agent (the "Administrative Agent"), under the Credit Agreement referred to below, in favor of Werner Technologies, Inc., a Delaware corporation, Werner Co., a Delaware corporation and Knaack LLC, a Delaware limited liability company (each, a "Grantor", and collectively, the "Grantors") (terms used in this Release and not herein defined shall have the meanings set forth in the Credit Agreement or Security Agreements (as defined below), as applicable).

WHEREAS, in connection with that certain Second Amended and Restated Credit Agreement, dated as of December 10, 2014 (as amended, restated, supplemented or otherwise modified from time to time, and together with all general security agreements and trademark, patent and copyright security agreements entered into in connection therewith or in connection with prior versions thereof, collectively the "Credit Agreement"), among Werner International POC GmbH and New Werner Holding Company LP, as Borrowers (the "Borrowers"), Werner Worldwide Holding Company, LP, the Administrative Agent, and the other Lenders party thereto, the Lenders made credit extensions to the Borrowers;

WHEREAS, in connection with the Credit Agreement, each of the Grantors and the Administrative Agent entered into those certain intellectual property security agreements described on Annex I attached hereto (collectively, the "Security Agreements");

WHEREAS, pursuant to each of the Security Agreements, to secure the prompt payment and performance in full when due, whether by lapse of time, acceleration, mandatory prepayment or otherwise, of the Secured Obligations, the applicable Grantor party thereto (as indicated on Annex I attached hereto with respect to the applicable Security Agreement) granted to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in, and right of set off against, any and all right, title and interest of such Grantor in and to all of the following (a), (b) or (c), as applicable under the relevant Security Agreement, whether then owned or existing or owned, acquired, or arising thereafter (collectively, the "Intellectual Property Collateral");

(a) (i) all trademarks, trade names, trade styles, service marks, logos and other source identifiers and, in each case, all goodwill associated therewith, all registrations, recordations and renewals thereof, and all applications in connection therewith and all IP Ancillary Rights with respect to any of the foregoing, including those referred to on Schedule I thereto;

(ii) all books, records, writings, databases, information and other property relating to, used or useful in connection with, or evidencing, embodying, incorporating or referring to any of the foregoing, and

(iii) all Proceeds, products, offspring, rents, issues, profits and returns of and from any of the foregoing;

(b) (i) (1) all letters patent of the United States or any other country, and all applications for letters patent of the United States or of any other country, including registrations and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, or any other country, (2) all divisionals, continuations, continuations-in-part, reissues, reexaminations, renewals and extensions thereof and (3) all IP Ancillary Rights with respect to any of the foregoing, including those referred to on Schedule I thereto;

(ii) all books, records, writings, databases, information and other property relating to, used or useful in connection with, or evidencing, embodying, incorporating or referring to any of the foregoing, and

(iii) Proceeds, products, offspring, rents, issues, profits and returns of and from any of the foregoing; and

(c) (i) all copyrights and all mask work, database and design rights, whether or not registered or published, all registrations, recordations and renewals thereof, and all applications in connection therewith, and all IP Ancillary Rights with respect to any of the foregoing, including those referred to on Schedule I thereto;

(ii) all books, records, writings, databases, information and other property relating to, used or useful in connection with, or evidencing, embodying, incorporating or referring to any of the foregoing, and

(iii) all Proceeds, products, offspring, rents, issues, profits and returns of and from any of the foregoing;

Where "IP Ancillary Rights" means, with respect to any Intellectual Property, as applicable, all foreign counterparts to such Intellectual Property and all income, royalties, proceeds and liabilities at any time due or payable or asserted under or with respect to any of the foregoing or otherwise with respect to such Intellectual Property, including all rights to sue or recover at law or in equity for any past, present or future infringement, misappropriation, dilution, violation or other impairment thereof, and, in each case, all rights to obtain any other IP Ancillary Right;

WHEREAS, the Security Agreements were recorded in the United States Patent and Trademark Office (the "USPTO") and the United States Copyright Office (the "Copyright Office") on the dates and on the reel and frame numbers and volume and document numbers set forth on Annex I hereto; and

WHEREAS, Administrative Agent has agreed to terminate and release its security interest in the Intellectual Property Collateral, including, without limitation, the Intellectual Property Collateral listed on Annex I attached hereto.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, Administrative Agent, for itself and on behalf of the Lenders in association with the security interests, hereby agrees as follows:

1. Administrative Agent hereby **TERMINATES, RELEASES AND DISCHARGES**, without representation, recourse or warranty whatsoever (other than as expressly set forth herein), any and all of its continuing security interest in, and right of set off against, the Intellectual Property Collateral, including, without limitation, the intellectual property listed on Annex I hereto, whether granted pursuant to the Credit Agreement, Security Agreements or any other agreement or document delivered in connection with the Credit Agreement, and Administrative Agent hereby reassigns, transfers, grants and conveys any and all right, title and interest (if any) that Administrative Agent may have or may have acquired in the Intellectual Property Collateral to the Grantors.
2. Administrative Agent authorizes this Release to be recorded with the USPTO and Copyright Office. Administrative Agent agrees, at the Grantors' expense, to cooperate with the

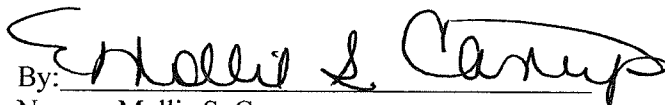

Grantors and to provide the Grantors with the information and additional authorization reasonably required or desirable to effect the release of Administrative Agent's security interest in the Intellectual Property Collateral.

3. This Release and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.
