**SECOND LIEN TRADEMARK SECURITY AGREEMENT**

**Second Lien Trademark Security Agreement**, dated as of May 30, 2017 by TRANSCENDIA, INC., an Illinois corporation (“**Grantor**”), in favor of KEYBANK NATIONAL ASSOCIATION, in its capacity as collateral agent pursuant to the Credit Agreement (in such capacity, the “**Collateral Agent**”).

**WITNESSETH:**

WHEREAS, Grantor is party to a Second Lien Security Agreement dated as of May 30, 2017 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Collateral Agent pursuant to which Grantor is required to execute and deliver this Second Lien Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Grantor hereby grants and pledges to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a continuing security interest in all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of Grantor:

(a) all registered Trademarks and pending applications for Trademarks, in any worldwide jurisdiction, of each Grantor, including those listed on Schedule I attached hereto; provided that, in no event shall any security interest be granted in any “intent-to-use” application for registration of a trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto;

(b) all income, fees, royalties, damages and payments then and thereafter due and/or payable to any Grantor with respect to any of the foregoing, including damages, claims, and payments for past, present or future infringements thereof; and

SECTION 3. The Security Agreement. The security interest granted pursuant to this Second Lien Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Second Lien Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with Section 6.11 thereof, the Collateral Agent shall, at the expense of Grantor, execute, acknowledge, and deliver to Grantor an instrument in writing in recordable form releasing the lien on and security interest in the Trademarks under this Second Lien Trademark Security Agreement.

SECTION 5. Counterparts. This Second Lien Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Second Lien Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Governing Law; Jurisdiction; Venue; Waiver of Jury Trial; Consent to Services of Process.

(c) The terms of Sections 10.15 and 10.16 of the Credit Agreement (as defined in the Security Agreement) with respect to governing law, submission of jurisdiction, venue and waiver of jury trial are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

(d) Each party to this Second Lien Trademark Security Agreement irrevocably consents to service of process in the manner provided for notices in Section 6.01 of the Security Agreement. Nothing in this Second Lien Trademark Security Agreement will affect the right of any party to this Second Lien Trademark Security Agreement to serve process in any other manner permitted by Law.

SECTION 7. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Second Lien Trademark Security Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the Junior Lien Intercreditor Agreement, dated as of May 30, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Intercreditor Agreement**”) among Everest Intermediate Holdings, Inc., Everest Merger Sub, Inc., and following the consummation of the Acquisition, Transcendia Holdings, Inc., KeyBank National Association, as First Lien Credit Agreement Collateral Agent and Second Lien Credit Agreement Collateral Agent, and certain other Persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and this Second Lien Trademark Security Agreement, the terms of the Intercreditor Agreement shall govern and control.
