TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT dated as of December 11, 2017 (this “*Agreement*”), among the grantors listed in Schedule I hereto (the “*Grantors*”), and U.S. Bank National Association (“*U.S. Bank*”), as collateral agent (in such capacity, the “*Collateral Agent*”).

Reference is made to (a) the Senior Secured Notes Pledge and Security Agreement dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the “*Security Agreement*”), among Cleaver-Brooks, Inc., a Delaware corporation (the “*Company*”), the grantors party thereto and the Collateral Agent, and (b) the Indenture dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “*Indenture*”), among the Company, Cleaver-Holdings, Inc., the other guarantors party thereto and U.S. Bank, as trustee and as collateral agent. Pursuant to the Security Agreement, each of the Grantors is required to execute and deliver this Agreement. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not defined in this Agreement has the meaning given or ascribed to it in the Security Agreement. The rules of construction specified in Article I of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantors hereby pledge to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, and hereby grants to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantors or in which the Grantors now have or at any time in the future may acquire any right, title or interest (collectively, the “*Trademark Collateral*”):

(a) trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, Internet domain names, other source or business identifiers, and designs, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and pending applications filed in connection therewith, including registrations and pending applications in the United States Patent and Trademark Office (or any successor office thereto) or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those United States federal trademark registrations and applications listed on Schedule II;

(b) all goodwill associated therewith or symbolized thereby ((a) and (b) collectively, the “*Trademarks*”); and

(c) all Proceeds and products of any and all of the foregoing, all Supporting Obligations and all collateral security and guarantees given by any Person with respect to any of the foregoing.

SECTION 3. Recordation. This Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The Grantors authorize and request that the Commissioner of Patents and Trademarks at the United States Patent and Trademark Office record this Agreement.

SECTION 4. Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. The Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern, and for the avoidance of doubt, Trademark Collateral shall not include any Excluded Collateral.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic transmission (including by .pdf, .tif or similar format) shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 6. Further Assurances. The Grantors further agree to execute and deliver to the Collateral Agent any and all further documents and instruments, and do any and all further acts which the Collateral Agent (or the Collateral Agent's agents or designees) reasonably requests in order to confirm this grant of security interest in and to the Trademark Collateral.

SECTION 7. Applicable Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

[Remainder of this page intentionally left blank]
