## TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment"), effective this 1st day of September, 2017, from Georgia-Pacific Consumer Products LP, a Delaware limited partnership, with a principal place of business at 133 Peachtree Street N.E., Atlanta, Georgia 30303 (the "Assignor"), to GPCP IP Holdings LLC, a Delaware limited liability company with a principal place of business at 133 Peachtree Street N.E., Atlanta, Georgia 30303 (the "Assignee");

WHEREAS, Assignor and Assignee have entered into a Contribution Agreement dated as of September 1, 2017 (the "Contribution Agreement"), providing for, among other things, the transfer by Assignor to Assignee of all trademarks, service marks, trade names, service names, brand names, trade dress, logos, Internet domain names, other electronic identifiers and other indicia of a like nature owned by Assignor, and all registrations and applications to register directed to any of the foregoing, including, but not limited to, all trademarks and service marks, and registrations and applications to register set forth on Schedule A attached hereto and all Internet domain names and other electronic identifiers set forth on Schedule A attached hereto (all of the foregoing collectively "Trademarks"), and all goodwill associated with any of the foregoing;

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in and to the Trademarks, and the goodwill associated therewith; and

WHEREAS, Assignor wishes to assign to Assignee all right, title and interest in and to the Trademarks, together with the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor and Assignee, each intending to be legally bound, hereby agree as follows:

1. Assignor does hereby sell, assign, transfer and set over to Assignee all right, title, and interest in and to the Trademarks together with the goodwill of the business symbolized by the Trademarks together with the right to apply for, maintain, and renew the registration of all the Trademarks, the right to recover for all past, present and future infringements, and the right to file, prosecute, and maintain applications or institute suit, all of the foregoing to be held and enjoyed by Assignee, and its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment had not been made.

2. Assignee shall request the Commissioner of Trademarks of the United States, or the analogous individual or agency responsible for trademarks, service marks, and/or trade/assumed names in other countries referenced in Schedule A, to record Assignee as owner of the Marks, including any variations thereof, for the sole use and enjoyment of Assignee, and its successors, assigns or other legal representatives.

3. Assignor shall provide Assignee, its successors, assigns, or other legal representatives, with reasonable cooperation and assistance at Assignee's request and expense but without any additional compensation to Assignor (including the execution and delivery of any and all documentation as may be reasonably required) in the recordation of this Assignment and in

connection with the execution of other documents reasonably necessary to carry out the intent of this Assignment.

Assignor and Assignee have caused this Assignment to be signed and executed by their respective undersigned officer thereunto duly authorized on the respective date written below.

## TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment"), effective this 1st day of September, 2017, from Georgia-Pacific Consumer Products LP, a Delaware limited partnership, with a principal place of business at 133 Peachtree Street N.E., Atlanta, Georgia 30303 (the "Assignor"), to GPCP IP Holdings LLC, a Delaware limited liability company with a principal place of business at 133 Peachtree Street N.E., Atlanta, Georgia 30303 (the "Assignee");

WHEREAS, Assignor and Assignee have entered into a Contribution Agreement dated as of September 1, 2017 (the "Contribution Agreement"), providing for, among other things, the transfer by Assignor to Assignee of all trademarks, service marks, trade names, service names, brand names, trade dress, logos, Internet domain names, other electronic identifiers and other indicia of a like nature owned by Assignor, and all registrations and applications to register directed to any of the foregoing, including, but not limited to, all trademarks and service marks, and registrations and applications to register set forth on Schedule A attached hereto and all Internet domain names and other electronic identifiers set forth on Schedule A attached hereto (all of the foregoing collectively "Trademarks"), and all goodwill associated with any of the foregoing;

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in and to the Trademarks, and the goodwill associated therewith; and

WHEREAS, Assignor wishes to assign to Assignee all right, title and interest in and to the Trademarks, together with the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor and Assignee, each intending to be legally bound, hereby agree as follows:

1. Assignor does hereby sell, assign, transfer and set over to Assignee all right, title, and interest in and to the Trademarks together with the goodwill of the business symbolized by the Trademarks together with the right to apply for, maintain, and renew the registration of all the Trademarks, the right to recover for all past, present and future infringements, and the right to file, prosecute, and maintain applications or institute suit, all of the foregoing to be held and enjoyed by Assignee, and its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment had not been made.

2. Assignee shall request the Commissioner of Trademarks of the United States, or the analogous individual or agency responsible for trademarks, service marks, and/or trade/assumed names in other countries referenced in Schedule A, to record Assignee as owner of the Marks, including any variations thereof, for the sole use and enjoyment of Assignee, and its successors, assigns or other legal representatives.

3. Assignor shall provide Assignee, its successors, assigns, or other legal representatives, with reasonable cooperation and assistance at Assignee's request and expense but without any additional compensation to Assignor (including the execution and delivery of any and all documentation as may be reasonably required) in the recordation of this Assignment and in

connection with the execution of other documents reasonably necessary to carry out the intent of this Assignment.

Assignor and Assignee have caused this Assignment to be signed and executed by their respective undersigned officer thereunto duly authorized on the respective date written below.
