GRANT OF SECURITY INTEREST IN TRADEMARKS

FOR VALUABLE CONSIDERATION, the receipt and adequacy of which is acknowledged, **AUDYSSEY LABORATORIES, INC.** a Delaware corporation ("**Borrower**"), grants to **SOUND UNITED, LLC**, a Delaware limited liability company (in such capacity, the "**Lender**"), a security interest and all of Borrower's right, title and interest in and to the following whether existing now or later or on which Borrower now has or later acquires an interest, and wherever the same may be located ("**Trademark Collateral**"):

1. All rights, title and interest (including rights acquired pursuant to a license or otherwise, but only to the extent permitted by the agreements governing such license or other use and without resulting in the abandonment, invalidation or unenforceability of any right, title or interest of Borrower therein) in and to the following trademarks (collectively, the "**Trademarks**") described on Exhibit "A".

2. All Proceeds, products, rents and profits of or from any and all the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not the Lender is the loss payee), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise in respect of any of the foregoing Trademark Collateral. For these purposes, the term "**Proceeds**" includes whatever is received or receivable when any Trademark Collateral or other proceeds are sold, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Borrower has granted the security interest under this instrument pursuant to the terms of an Intellectual Property Security Agreement dated January 8, 2018 ("**Security Agreement**") made by Borrower to the Lender for the purposes of security as provided in the Security Agreement. Borrower acknowledges and affirms that the rights, privileges and remedies of Lender with respect to the security interest in the Trademark Collateral granted in this instrument are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated in this instrument by this reference.
