**AFFIDAVIT REGARDING TERMINATION OF PATENT AND TRADEMARK
SECURITY INTERESTS**

I, James H. Peden, declare and state as follows:

1. I am a duly elected officer of ProAir, LLC, a Delaware limited liability company (the "Company");
2. The Company is the successor-in-interest to certain patents and trademarks (collectively, the "IP") listed on Schedule A;
3. Pursuant to the terms and conditions of certain security agreements recorded with the United States Patent and Trademark Office at reel 1659 frame 0243 and reel 2008 frame 0117, the Company and/or its predecessor-in-interest granted security interests in the IP (the "Security Interests"), in favor of Nationsbank, N.A. and Deutsche Financial Services Corporation, respectively (collectively, the "Lenders");
4. The Company's obligations under the agreement by which the Security Interests were granted have now been fully satisfied and there are no remaining obligations owed to the Lenders or any successors-in-interest to the Lenders; and
5. On information and belief, the Lenders have now gone out of existence. Nevertheless, the Company has made or caused to be made a diligent effort to obtain documentary evidence of the releases of the Security Interests from the Lenders and that, despite the failure of such effort, the Security Interests of the Lenders in the IP have been terminated and released by Lenders.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further these statements were made with the knowledge that willful false statements and the like so made are punishable by fine, or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and may jeopardize the validity of the applications or documents or any registrations resulting therefrom.
