RELEASE OF SECURITY INTERESTS IN TRADEMARKS

This Release of Security Interests in Trademarks is made as of the 6th day of March, 2018 (the "Release Date"), by and between Bank of America, N.A. (the "Administrative Agent") and Gopher Resource, LLC, a Minnesota limited liability company (the "Grantor").

WHEREAS, a Notice of Grant of Security Interest in Trademarks dated as of August 17, 2016 between the Administrative Agent and Grantor was recorded on February 2, 2017 with the Trademark Assignment Division of the U.S. Patent and Trademark Office, at Reel/Frame 6006/0713 (the "Security Agreement").

WHEREAS, Grantor made payment to satisfy certain obligations owed to the Administrative Agent by the Grantor under the above recorded Security Agreement, and the Administrative Agent has agreed to terminate, release and discharge its security interest in all the trademarks and trademark applications listed on Schedule A (collectively, the "Trademarks").

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Administrative Agent hereby agree as follows:

All of Administrative Agent's security interests, liens, pledges, mortgages, and other encumbrances of any kind whatsoever created against the Trademarks pursuant to the Security Agreement (collectively, the "Security Interests") shall be automatically terminated, released and discharged, and the Administrative Agent shall sign any additional termination documents reasonably requested by Grantor at Grantor's cost and expense, including filings with the U.S. Patent and Trademark Office against the Trademarks, as shall be necessary to effect the termination, release and discharge of all of the Security Interests, each at Grantor's cost and expense.

If and to the extent that Administrative Agent has acquired any right, title or interest in or to any of the Trademarks, it hereby assigns and transfers such rights, title or interest to Grantor, along with any goodwill in the Trademarks that the Administrative Agent may have acquired.

This Release may be executed in any number of counterparts, but all of such counterparts shall together constitute one and the same instrument. This Release shall be governed and construed in accordance with the laws of the State of New York, without regard to the principles thereof relating to conflict of laws.
