In consideration of the mutual promises and agreements herein set forth, the Seller agrees to sell and the Buyer agrees to buy the following at the purchase price herein provided and upon the terms as herein stated.

1. **Property Transferred.** Seller shall sell to the Buyer the following:

United States Patent No. RE. 31,746 dated November 27, 1984, relating to and involving a fully-automatic roll-up tarp for trailers sold under the trademark "SHUR-LOK", United States Patent No. 4,505,512 dated March 19, 1985, and United States Patent No. 4,619,957, dated September 8, 1987, and the original patent from which United States Patent No. RE. 31,746 resulted, said original patent issued under U.S. Patent No. 4,302,043 dated November 24, 1981, together with the trademark SHUR-LOK® and its Federal Registration No. 1,414,882 issued October 28, 1986, used in association with said roll-tarp and the federal trademark registration therefor and the trademarks "STRONG ARM" and "Arm and Flash Logo", and trademark rights to "WCCO" and its Associated Registration No. 1,295,721 issued September 18, 1984, together with any foreign rights to the exclusive use of the mark SHUR-LOK®; any license of the foregoing intellectual property, addendums thereto or reissues thereof, together with any residual rights to recover under said previously described intellectual properties or its claims.

In addition thereto, Seller transfers and assigns all rights and claims under the patents and trademarks against third parties for the entire period for which they were owned by Seller to Buyer, and Buyer shall have sole right to sue and recover for damages to itself and to Seller for the period during which those companies owned the patents and the trademarks. 

2. **Representations**. Seller warrants and represents as follows:

- a. That it is the owner of and has good and marketable title to the property referred to in paragraph 1, free of all encumbrances, liens and security interests other than those stated herein.
- b. Seller also warrants there are no judgments, liens, actions or proceedings pending against the Seller as of the date of execution of this instrument, which in any way will affect the sale of the assets covered by this Agreement.

The Seller covenants with the Buyer as follows:

- a. No judgments or liens will be outstanding at the time of closing against the Seller or against the business or any assets thereof.

4. **Terms of Purchase**. The Buyer hereby grants to the Seller (also referred to as secured party) a security interest in the property (also described as collateral) described in paragraph 1 to secure the payment of the Buyer's obligation to the Seller under this Agreement.

In the event that the Buyer fails to pay any installment required to be paid under this Agreement on the date for which such installment is due, all unpaid installments shall, at the Seller's option, become immediately due and payable and, in addition to such right of acceleration, the Seller shall be entitled to any and all remedies available under the Uniform Commercial Code in force in the state of North Dakota as presently enacted and as amended.

5. **Time of Transfer.** The property herein described shall be delivered to the Buyer upon the execution of this Agreement, and the Buyer shall thereafter be the owner thereof and entitled to the possession thereof subject only to the conditions set forth in this Agreement.

6. **Hold Harmless.** The Buyer shall indemnify and hold Seller harmless from any and all liability as to any contracts, arrangements, obligations, liabilities, debts, or causes of action arising out of any and all occurrences or transactions pertaining to the intellectual property sold in this Agreement, whether arising prior to or after the date of this Agreement.

7. **Bill of Sale.** The Seller hereby warrants and agrees to defend the title to the said property conveyed unto the Buyer, his heirs and assigns, against all lawful claims, and will deliver the said property to the Buyer as stated in this Agreement. It is agreed that this Agreement may serve as a Bill of Sale.

8. **Arbitration.** Any controversy or claim arising out of or relating to this agreement, or the breach thereof, shall be settled by arbitration in Fargo, North Dakota, in accordance with the rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.
