TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is effective as of December 2, 2013, by I-3G, LLC, an Oklahoma limited liability company ("Assignor"), to Numerex Corp., a Pennsylvania corporation ("Assignee").

RECITALS

WHEREAS, Assignee has, as of this date, acquired certain business and related assets, including without limitation, rights to certain service marks and trademarks of Assignor; and

WHEREAS, in connection with such transaction, Assignor wishes to transfer and assign to Assignee all of its right, title and interest in and to the service marks and trademarks and any registrations therefor set forth on Exhibit A, attached hereto (collectively the "Marks"), along with all goodwill pertaining thereto, and the parties wish to evidence this absolute transfer of rights by this Assignment.

ASSIGNMENT

In consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably and unconditionally sells, assigns and transfers to Assignee, and Assignee hereby accepts: Assignor's entire worldwide right, title and interest in and to the Marks, together with all the goodwill of the business associated therewith and symbolized thereby, any trademark registrations and trademark applications Assignor has filed in the United States Patent and Trademark Office and in any foreign countries with respect to the Marks, if any, along with any priorities, rights or registrations resulting therefrom, if any; all renewals and extensions of registrations that are or may be secured by Assignee, its successors, assigns or other legal representatives, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Agreement had not been made; and any and all rights and causes of action to recover and retain past, present, or future damages, royalties, fees, profits, or other relief, including equitable or injunctive relief, arising from infringement of the Marks by a third party and to which Assignor is or would have been entitled had this Assignment not been made.

Assignor agrees, for itself and its successors, with said Assignee and its successors and assigns, but at Assignee's sole expense, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or reasonably proper to secure the grant of registered trademarks and service marks in the United States, in such form as shall be approved by the counsel of Assignee

and to vest and confirm in Assignee its successors and assigns, the legal title to all such Marks.

The undersigned represents and warrants that it has full requisite authority to execute this Assignment on behalf of Assignor and to obligate Assignor to its terms.
