TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of May 10, 2017 (this "Agreement"), is made by each of the signatories hereto indicated as a Grantor (each a "Grantor" and collectively, the "Grantors") in favor of HPS INVESTMENT PARTNERS, LLC, as administrative agent and collateral agent for the Secured Parties (in such capacity and together with its successors and assigns in such capacity, the "Agent").

WHEREAS, pursuant to that certain Credit Agreement dated as of May 10, 2017 by and among AFFINION GROUP HOLDINGS, INC., a Delaware corporation, AFFINION GROUP, INC., a Delaware corporation, the lenders from time to time party thereto (the "Lenders"), the Agent for the Lenders, and the other parties from time to time party thereto (as the same may hereafter be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and conditions set forth therein, to the Borrower; and

WHEREAS, as a condition precedent to the obligation of the Lenders to make their respective extension of credit to the Borrower under the Credit Agreement, the Grantors entered into a Collateral Agreement dated as of May 10, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement") between each of the Grantors and the Agent, pursuant to which each of the Grantors assigned, transferred and granted to the Agent, for the benefit of the Secured Parties, a security interest in the Trademark Collateral (as defined below);

WHEREAS, pursuant to the Collateral Agreement, each Grantor agreed to execute and deliver this Agreement, in order to record the security interest granted to the Agent for the benefit of the Secured parties with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Agent as follows:

SECTION 1. Defined Terms

Capitalized terms used but not defined herein shall have the respective meanings given thereto in the Collateral Agreement, and if not defined therein, shall have the respective meanings given thereto in the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral

SECTION 2.1 Grant of Security. Each Grantor hereby assigns and transfers to the Agent, and hereby grants to the Agent, for the benefit of the Secured Parties, a security interest in, all of the following property, in each case, wherever located and now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral") as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations:

all domestic, foreign and multinational trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, trade styles, logos, Internet domain names, other indicia of origin or source identification, and general intangibles of

a like nature, whether registered or unregistered, and with respect to any and all of the foregoing: (i) all registrations and applications for registration thereof including, without limitation, the registrations and applications listed in Schedule A attached hereto, (ii) all extension and renewals thereof, (iii) all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, (iv) all rights to sue or otherwise recover for any past, present and future infringement, dilution, or other violation thereof, (v) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto, and (vi) all other rights of any kind accruing thereunder or pertaining thereto throughout the world.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

SECTION 3. Security Agreement

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Agent for the Secured Parties pursuant to the Collateral Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall control.

SECTION 4. Governing Law

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW RULES THAT WOULD RESULT IN THE APPLICATION OF A DIFFERENT GOVERNING LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND EFFECT OF PERFECTION OF THE SECURITY INTERESTS).

SECTION 5. Counterparts

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
