GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS

THIS GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of June 15, 2018, is made by THE GORILLA GLUE COMPANY, an Ohio corporation, located at 2101 E. Kemper Road, Cincinnati, Ohio 45241 (the "Grantor"), in favor of JP MORGAN CHASE BANK, N.A., located at 8044 Montgomery Road, Suite 350, Cincinnati, Ohio 45236 (the "Lender"), parties to the Credit Agreement, of even date herewith (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Grantor, Gorilla Glue Europe Limited, a limited company organized under the law of England and Wales (collectively, "Borrowers"), the Lender and the other Loan Parties thereto.

WITNESSETH

WHEREAS, pursuant to the Credit Agreement, the Lender has agreed to make Loans and other extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered a Pledge and Security Agreement, of even date herewith, in favor of the Lender (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and granted to the Lender for the benefit of the Lender a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lender to make Loans and other financial accommodations to the Borrowers pursuant to the Credit Agreement, the Grantor agrees, for the benefit of the Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby pledges and grants a continuing security interest in all of the Grantor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Exhibit A attached hereto) (collectively, the "Trademark Collateral"), to the Lender for the benefit of the Secured Parties to secure payment, performance and observance of the Secured Obligations.

Notwithstanding the foregoing, the Trademark Collateral shall not include any intent-to-use trademark application to the extent, and for so long as, creation by Grantor of a security interest therein would result in the loss by Grantor of any rights therein, or in any registration issuing therefrom, unless and until a Statement of Use or an Amendment to Allege Use has been filed with the United States Patent and Trademark Office with respect to such intent-to-use trademark application.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lender in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
