TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement, dated as of June 4, 2018, (as amended, restated, supplemented or otherwise modified, the “**Trademark Security Agreement**”), is entered into by the parties listed on the signature pages hereof, each located at 200 S. Civic Center Drive, Suite 700, Columbus, OH 43215 (each a “**Grantor**” and collectively, the “**Grantors**”) and **BANK OF AMERICA, N.A.**, a national association located at 2600 West Big Beaver Road, Mail Code: MI8-900-02-70, Troy, MI 48084, in its capacity as administrative agent for the Secured Parties (together with successors and assigns in such capacity, the “**Administrative Agent**”).

WITNESSETH:

WHEREAS, Grantors are party to a Pledge and Security Agreement dated as of June 4, 2018 (as amended, restated, supplemented or otherwise modified from time to time, the “**Pledge and Security Agreement**”) between each of the Grantors and the other grantors party thereto and the Administrative Agent, pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Secured Parties to enter into the Loan Agreement the Grantors hereby agree with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meanings given to them in the Pledge and Security Agreement (directly or indirectly by reference to the Loan Agreement).

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby mortgages, pledges and hypothecates to the Administrative Agent, for the benefit of the Secured Parties, and grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under, in each case whether now owned or existing or hereafter acquired or arising and wherever located (collectively, the “**Trademark Collateral**”):

- (a) all United States and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certifications marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, and all registrations and applications for any of the foregoing, including, but not limited to: (i) the registrations and applications referred to on Schedule I hereto (collectively, “**Trademarks**”), (ii) all extensions or renewals of the foregoing, (iii) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License and (iv) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill; provided however, trademark applications filed under Section 1(b) of the Lanham Act shall be excluded from the Trademark Collateral and Schedule I

hereto and until such time as an Amendment to Allege Use (AAU) or a Statement of Use (SOU) has been filed and accepted by the USPTO;

(b) any and all agreements providing for the granting of any right in or to Trademarks (whether such Grantor is licensee or licensor thereunder) including those referred to on Schedule I hereto (collectively, “**Trademark Licenses**”);

(c) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages and proceeds of suit; and

(d) to the extent not otherwise included above, all Proceeds, products, accessions, rents and profits of or in respect of any of the foregoing.

SECTION 3. Security Agreement.

(a) This Trademark Security Agreement secures, and the Trademark Collateral is collateral security for, the prompt and complete payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a) (and any successor provision thereof)), of all Obligations.

(b) The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the Secured Parties pursuant to the Pledge and Security Agreement, and Grantors hereby acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

SECTION 4. Applicable Law. THIS TRADEMARK SECURITY AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS TRADEMARK SECURITY AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, INCLUDING, WITHOUT LIMITATION, NEW YORK GENERAL OBLIGATIONS LAW SECTIONS 5-1401 AND 5-1402 (BUT GIVING EFFECT TO FEDERAL LAWS RELATING TO NATIONAL BANKS).

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

SECTION 6. Intercreditor Agreement. The provisions of this Agreement are in all respects subject to the terms and provisions of the Intercreditor Agreement, including the relative rights, obligations and priorities with respect to Collateral.

[Remainder of page intentionally left blank]

In Witness Whereof, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
