TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement (this “Agreement”) dated as of May 2, 2018 by and between CENTER - MOELLER PRODUCTS LLC, a Delaware limited liability company (the “Grantor”), having its chief executive office at 715 South Street, Mayville, Wisconsin 53050, and WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association, as Administrative Agent (the “Administrative Agent”), with offices at 1525 West W.T. Harris Blvd., Charlotte, North Carolina 28262, for the ratable benefit of the Secured Parties.

This Agreement is executed pursuant to the terms of (a) the Credit Agreement dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”) by and among the Grantor, Center Manufacturing Holdings, Inc., a Delaware corporation (“CMH”), Center Manufacturing, Inc., a Delaware corporation (“Center”), Mayville Engineering Company, Inc., a Wisconsin corporation (“Mayville” and together with the Grantor, Center and CMH, individually, a “Borrower” and collectively, the “Borrowers”), the Lenders who are or may become party thereto and the Administrative Agent and (b) the Collateral Agreement dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”) executed by the Credit Parties (including, without limitation, the Grantor) in favor of the Administrative Agent, for the ratable benefit of the Secured Parties. Capitalized terms used herein but not defined herein shall have the meaning assigned to them in the Credit Agreement or the Collateral Agreement, as applicable.

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the Grantor hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter arising or acquired:

(i) all Trademarks and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark of the Grantor (excluding trademark applications for which Grantor has not filed and had accepted under Applicable Law a “Statement of Use” or “Amendment to Allege Use”), including, without limitation, each Trademark listed on Schedule A;

(ii) each Trademark License, including, without limitation, each Trademark License listed on Schedule B;

(iii) all claims by the Grantor against third parties for (a) past, present or future infringement or dilution of any Trademark, including, without limitation, any Trademark listed on Schedule A or under any Trademark licensed under any Trademark License including, without limitation, any Trademark License listed on Schedule B, (b) injury to the goodwill associated with any Trademark or (c) breach or enforcement of any Trademark License; and

(iv) all products and proceeds of the foregoing.

Provided, however, that the security interests granted herein shall not extend to any Trademark License or any rights thereunder where Grantor is a licensee to the extent that the granting of a security interest therein would, under the express terms of such license, be prohibited or restricted or result in a breach of the terms of, constitute a default under, or result in a termination of any such license or any related agreement, unless (x) such prohibition or restriction is not enforceable or is otherwise ineffective under Applicable Law or (y) consent to such security interest has been obtained from any applicable third party.

The rights and remedies of the Administrative Agent with respect to the security interest granted herein are without prejudice to, and are in addition to, those set forth in the Collateral Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall govern.
