## INTELLECTUAL PROPERTY RIGHTS ASSIGNMENT

This Intellectual Property Rights Assignment (this "Assignment"), made this 31<sup>st</sup> day of July, 2018, is by and between Federal-Mogul Ignition Company, a Delaware corporation, having an address at 27300 West 11 Mile Road, Southfield, MI 48034 (the "Assignor"), and Federal-Mogul Ignition LLC, a Delaware limited liability company, having an address at 27300 West 11 Mile Road, Southfield, MI 48034 (the "Assignee").

WHEREAS, Assignor desires to convey, transfer and assign to Assignee all of its interest in its intellectual property (the "Intellectual Property");

WHEREAS, the Intellectual Property is comprised of the trade names, trademarks and registrations identified on the attached Schedule A (the "Marks") and the patents and patent applications identified on the attached Schedule B (the "Patents");

WHEREAS, Assignee desires to acquire the Intellectual Property, including the Marks and all intellectual property rights therein, including the goodwill of the business associated therewith, as well as all common-law rights and all federal trademark and service mark registrations and applications identified on Schedule A, and the Patents identified on Schedule B.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Assignment. Assignor hereby irrevocably conveys, transfers and assigns to Assignee, its successors and assigns, all of Assignor's worldwide right, title and interest in and to the Intellectual Property, including, without limitation: (a) the Marks and all intellectual property rights therein, including all common-law rights therein and all registrations and applications therefor identified on Schedule A, together with the goodwill of the business symbolized thereby; (b) the Patents identified on Schedule B and any divisions, reissues, continuations, continuations-in-part, reexaminations, substitutions, renewals, and/or extensions thereof respectively, including the right of Assignee, its successors, assigns or other legal representatives to make applications and to receive patents and applications for the inventions and discoveries therein in any and all foreign countries/regions in its name, at its election, and all rights of priority in and to the Patents and inventions and discoveries therein to be held and enjoyed by Assignee for its own use and benefit, and for the benefit of its legal representatives, successors and assigns to the full end of the term of the Patents which may be granted on the inventions as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not be made; and (c) all works of authorship, trade secrets and all other intellectual property rights included in the Intellectual Property, including without limitation all patent, trade secret, copyright and other artistic, literary and moral rights, database, mask work, trademark, service mark, trade dress right and domain name rights and all goodwill associated therewith, and all other intellectual property and proprietary rights, in any of the foregoing.

2. Additional Assignments. Assignor hereby further assigns to Assignee all of Assignor's rights (i) in and to causes of action and enforcement rights associated with the Marks, Patents and other Intellectual Property, including, without limitation, all rights to pursue damages, injunctive relief and other remedies for past and future infringement or other violation of the Marks,

Patents and other Intellectual Property and (ii) to apply in any or all countries of the world for trademark and copyright protection for the Intellectual Property.

3. Further Actions. Each of the parties hereto covenants and agrees, at its own expense, to execute and deliver such further instruments of transfer and assignment and to take such other action as such other party may reasonably request to more effectively consummate the assignments and assumptions contemplated by this Agreement.

4. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware applicable to agreements made and to be performed within the State of Delaware, without giving effect to any choice or conflict of law provision or rule.

5. Entire Agreement. This Agreement and the other agreements expressly referred to herein contain the complete agreement between the parties hereto and supersede any prior understandings, agreements or representations by or between the parties, written or oral, which may have related to the subject matter hereof in any way.

6. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

7. Third-Party Beneficiaries. Nothing expressed or referred to in this Agreement will be construed to give any person other than the parties to this Agreement any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

8. Binding Effect. This Agreement and all of the provisions hereof will be binding upon and will inure to the benefit of the parties hereto and their respective successors and permitted assigns.

9. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which will constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or e-mail transmission will be as effective as delivery of a manually executed counterpart of this Agreement.
