TRADEMARK ASSIGNMENT AND ASSUMPTION AGREEMENT

This TRADEMARK ASSIGNMENT AND ASSUMPTION AGREEMENT (this "Agreement") is made as of this 12th day of October, 2018, by and between HHG GLOBAL DESIGNS LLC, a Delaware limited liability company with an address of 1925 Eastchester Drive, High Point, North Carolina 27265 ("Assignor") and HICKORY CHAIR, LLC, a North Carolina limited liability company with an address of 401 11th Street, N.W., Hickory, North Carolina 28601 ("Assignee"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed thereto in the Asset Purchase Agreement (as hereinafter defined).

WHEREAS, Assignor and Assignee have, together with HERITAGE HOME GROUP LLC, a Delaware limited liability company with an address of 1925 Eastchester Drive, High Point, North Carolina 27265 ("HHG"), and HHG REAL PROPERTY LLC, a Delaware limited liability company with an address of 1925 Eastchester Drive, High Point, North Carolina 27265 ("HHG-RP"), executed and delivered an Asset Purchase Agreement, dated as of July 29, 2018 (the "Asset Purchase Agreement"), pursuant to which Assignee will purchase the Purchased Assets of HHG, HHG-RP, and Assignor, including Intellectual Property Assets and associated goodwill, which includes the registered trademarks listed on Schedule A hereto (the "Transferred Marks") and the goodwill associated therewith.

NOW, THEREFORE, for One Dollar (USD \$1.00) together with the consideration set forth in the Asset Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

1. Assignment. On the terms and subject to the conditions set forth in the Asset Purchase Agreement, Assignor hereby sells, conveys, transfers, assigns, and delivers to Assignee all right, title, and interest of Assignor in and to the Transferred Marks, together with the goodwill of the business in connection with which the Transferred Marks are used, and all registrations and applications therefor and renewals and extensions of the foregoing in the United States and for all foreign countries that are or may be secured under the laws of the United States, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties, or payments due or payable as of the date hereof or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Transferred Marks, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of Assignee's successors or assigns, and any other rights, privileges, claims, and causes of action relating or pertaining to the Transferred Marks, free and clear of all security interests, mortgages, liens, pledges, conditional sales or lease agreements, charges, claims or encumbrances.

2. Further Assurances. Assignor shall, without further consideration, comply with any reasonable request by Assignee to execute and deliver promptly any additional documents as may be necessary in order to give effect to the assignment reflected herein. Such additional documents shall be effective as of the date hereof, if applicable, and may include, without limitation, additional assignment documents required by the United States Patent and Trademark Office or any other equivalent national registry; agreed amendments to Schedule A to correct any inaccuracies or misstatements therein; any other documents necessary to further clarify or confirm

the assignment and conveyance of the Transferred Marks; and any and all affidavits, declarations, oaths, samples, exhibits, specimens, and other documentation as may be reasonably required in connection with: (a) preparation and prosecution of any application for registration or renewal of a registration covering any of the Transferred Marks; (b) prosecution or defense of any cancellation, opposition, infringement, or other proceedings that may arise in connection with any of the Transferred Marks, including without limitation, testifying as to any facts relating to the Transferred Marks and this Agreement; and (c) obtaining any additional trademark protection for the Transferred Marks that Assignee reasonably may deem appropriate that may be secured under any applicable laws now or hereafter in effect, in each case at Assignee's cost and expense.

3. No Use of Transferred Marks by Assignor. Assignor, for itself and on behalf of its successors and assigns, covenants not to use, apply for, or register any of the Transferred Marks or use, apply for, or register any variation of the Transferred Marks or any word, design, domain name, or logo likely to be similar or confusingly similar with the Transferred Marks, for any purpose.

4. No Assignment; No Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests, or obligations hereunder may be assigned or delegated by Assignor nor Assignee without the prior written consent of the other parties hereto and any purported assignment or delegation in violation hereof shall be null and void; provided, however, that Assignee may assign any of its rights and obligations hereunder to any Affiliate of Assignee. This Agreement is not intended to, and shall not, confer upon any other person except the parties hereto any rights or remedies hereunder.

5. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed and original, but all of which taken together shall constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or other customary means of electronic submission (e.g., .pdf) shall be deemed binding for all purposes hereof, without delivery of an original signature page being thereafter required.
