## TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (this “Agreement”), dated as of November 27, 2018, is made by **TWIN RIVERS PAPER COMPANY LLC**, a Delaware limited liability company (“Twin Rivers US”), as the initial US Borrower, **TWIN RIVERS PAPER COMPANY INC.**, a corporation organized under the laws of Ontario, Canada (“Twin Rivers Canada”), as the initial Canadian Borrower (collectively, the “Grantors” and each individually, a “Grantor”) in favor of **BANK OF AMERICA, N.A.**, as agent for the benefit of the Secured Parties (as defined in the Loan Agreement) (in such capacity, together with its successors and assigns in such capacity, the “Agent”).

Reference is hereby made to that certain Loan and Security Agreement, dated as of November 27, 2018 (as amended, amended and restated, restated, supplemented, modified or otherwise in effect from time to time, the “Loan Agreement”), by and among the Grantors, each other Person from time to time party thereto as a Borrower or a Guarantor, the financial institutions from time to time party thereto as lenders, and the Agent. Each Grantor has pledged and granted to the Agent a continuing security interest in all Intellectual Property, including the Trademarks (as defined below).

**NOW, THEREFORE**, for good and valuable consideration, the receipt of which is hereby acknowledged, each Grantor agrees, for the benefit of the Agent, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement have the meanings provided or provided by reference in the Loan Agreement.

2. Grant of Security Interest.

(a) This Agreement is made to secure the performance and payment of all of the Obligations. Upon the Full Payment of the Obligations, the Agent shall promptly, upon such satisfaction, execute, acknowledge, and deliver to each Grantor all reasonably requested instruments in writing releasing the security interest in the Trademarks acquired under this confirmatory grant.

(b) Each Grantor hereby pledges and grants to the Agent, for the benefit of the Secured Parties, a continuing security interest in and Lien upon all of the below listed Property of such Grantor, whether now owned or hereafter acquired, and wherever located: (i) its trademarks (including service marks), trade names, trade dress and the registrations and applications for registration thereof, including the foregoing listed on Schedule A, and the goodwill of the business symbolized by the foregoing; (ii) all renewals of the foregoing; (iii) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (iv) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (v) all rights corresponding to any of the foregoing throughout the world (the “Trademarks”).

3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and

Trademark Office. The security interest granted hereby has been granted to the Agent in connection with the Loan Agreement and is expressly subject to the terms and conditions thereof. The Loan Agreement (and all rights and remedies of the Agent thereunder) shall remain in full force and effect in accordance with its terms.

4. Authorization to Supplement. If any Grantor shall obtain rights to any new Trademarks, the provisions of this Agreement shall automatically apply thereto. The Grantors shall give notice in writing to the Agent with respect to any such new Trademarks in accordance with the Loan Agreement. Without limiting the Grantors' obligations under this Section, the Grantors hereby authorize the Agent unilaterally to modify this Agreement, with concurrent notice to the Grantors, by amending Schedule A to include any such new Trademarks of each Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule A shall in any way affect, invalidate or detract from the Agent's continuing security interest in all Collateral, whether or not listed on Schedule A.

5. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Collateral granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Loan Agreement, the terms of the Loan Agreement shall govern.

6. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

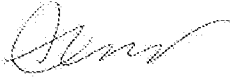

7. Governing Law. This Agreement and all claims shall be governed by the laws of the State of New York, without giving effect to any conflict of law principles except Section 5-1401 of the New York General Obligations Law and federal laws relating to national banks.

*[Remainder of Page Intentionally Left Blank; Signature Pages Follow.]*

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.

**GRANTORS:**

**TWIN RIVERS PAPER COMPANY LLC  
TWIN RIVERS PAPER COMPANY INC.**
