## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of October 29, 2018, is by ABCOM TECHNOLOGY GROUP INC., a Delaware corporation ("Grantor"), in favor of TWIN BROOK CAPITAL PARTNERS, LLC, in its capacity as Agent ("Agent") for the Lenders (as hereinafter defined).

### WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of the date hereof by and among Grantor, as Borrower, Agent and the financial institutions ("Lenders") from time to time party thereto (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Credit Agreement"), Agent and Lenders have agreed to make Loans, and the Issuing Lenders have agreed to issue Letters of Credit, for the benefit of Grantor and the other Loan Parties;

WHEREAS, Agent and Lenders are willing to make the Loans and to issue Letters of Credit as provided for in the Credit Agreement, but only upon the condition, among others, that Grantor and certain affiliates of Grantor shall have executed and delivered to Agent, for itself and the ratable benefit of the Lenders and (to the extent provided in the Collateral Agreement (as defined below)) their Affiliates, that certain Guarantee and Collateral Agreement dated as of the date hereof (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Collateral Agreement"); and

WHEREAS, pursuant to the Collateral Agreement, Grantor is required to execute and deliver to Agent, for itself and the ratable benefit of the Lenders and (to the extent provided in the Collateral Agreement) their Affiliates, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Collateral Agreement or, if not defined therein, the Credit Agreement, as applicable.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby grants to Agent, for Agent's benefit and for the benefit of the Lenders and (to the extent provided in the Collateral Agreement) their Affiliates, a continuing first priority security interest (subject to the existence of Permitted Liens) in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral");

(a) all of its Trademarks and Trademark Licenses to which it is a party including, without limitation, those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark and Trademark License; and

(d) all products and proceeds (as that term is defined in the Code) of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any such Trademark or Trademark License or (ii) injury to the goodwill associated with any such Trademark; provided that the Trademark Collateral shall not include any United States "intent to use" trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability, or result in the abandonment, voiding, or cancellation, of such "intent to use" trademark applications under applicable federal law, it being understood that upon submission and acceptance by the United States Patent and Trademark of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such "intent to use" trademark application shall be considered Trademark Collateral.

3. COLLATERAL AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, on behalf of itself and Lenders and (to the extent provided in the Collateral Agreement) their Affiliates, pursuant to the Collateral Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency, ambiguity or conflict between this Trademark Security Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall control.

4. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantor shall give prompt notice in writing to Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantor's obligations under this Section, Grantor hereby authorizes Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing first priority security interest in all Collateral (subject to the existence of Permitted Liens), whether or not listed on Schedule I.

*[signature pages follow]*

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
