## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of January 18, 2019, is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of GarMark SBIC Fund II, L.P. a Delaware limited liability company, as purchaser (together with its successors and/or assigns, "Purchaser").

### WITNESSETH:

WHEREAS, pursuant to the Note Purchase Agreement, dated as of January 18, 2019 (as the same may be amended, restated, supplemented and/or otherwise modified from time to time, the "Note Purchase Agreement"), by and among Phoenix Products, LLC and Phoenix Ovens International, LLC, each a Delaware limited liability company (collectively the "Issuers" and individually a "Issuer"), the other Note Parties party thereto, and Purchaser. Purchaser has agreed to purchase the Note issued by the Issuers upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor has agreed, pursuant to a Security Agreement dated as of January 18, 2019 in favor of Purchaser (as such agreement may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), to secure the Obligations of the Note Parties; and

WHEREAS, all of the Grantors are party to the Security Agreement pursuant to which the Grantors are required to execute and deliver this Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Purchaser to enter into the Note Purchase Agreement and to induce the Purchaser to purchase the Note thereunder, each Grantor hereby agrees with Purchaser as follows:

**Section 1. Defined Terms.** Capitalized terms used herein without definition are used as defined in the Note Purchase Agreement or the Security Agreement, as applicable.

**Section 2. Grant of Security Interest in Trademark Collateral.** Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations of such Grantor, hereby mortgages, pledges and hypothecates to Purchaser, and grants to Purchaser a Lien on and security interest in all of its right, title and interest in and to the Trademarks, including without limitation, the Trademarks set forth on Schedule I hereto, and all proceeds and products thereof (the "Trademark Collateral").

**Section 3. Security Agreement.** The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to Purchaser pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of Purchaser with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms

and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between any provision of the Security Agreement and any provision of this Agreement, the provisions of the Security Agreement shall control.

**Section 4. Grantor Remains Liable.** Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks and Trademark Licenses subject to a security interest hereunder, in accordance with the terms of the Security Agreement.

**Section 5. Counterparts.** This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Agreement by electronic transmission (including .pdf) shall be as effective as delivery of a manually executed counterpart hereof.

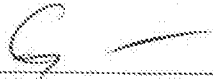

**Section 6. Governing Law.** This Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York (without regard to its conflicts of laws rules).

**Section 7. Intercreditor Agreement.** Notwithstanding anything herein to the contrary, the lien and security interest granted to Purchaser pursuant to this Agreement and the exercise of certain rights or remedies by Purchaser hereunder are subject to the provisions of the Intercreditor Agreement. With respect to such matters, in the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.
