TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is effective as of August 9, 2018 (the "Effective Date"), between Power Products, LLC, a Delaware limited liability company ("Assignor"), and ECM Industries, LLC, a Delaware limited liability company ("Assignee").

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, intending to be legally bound hereby, agree as follows:

1. Assignor hereby irrevocably conveys, assigns, transfers and delivers to Assignee all of the following (collectively, the "Trademark Rights"):

(a) all of Assignor's right, title and interest throughout the world (including all common law rights and all rights provided by international conventions and treaties) in and to the trademark registrations and trademark applications set forth on Schedule A (collectively, the "Assigned Trademarks"), together with the goodwill of the business symbolized by the Assigned Trademarks and the goodwill of the business in connection with which the Assigned Trademarks are used;

(b) all of Assignor's rights to causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and remedies related to any of the Assigned Trademarks, including the right to sue (including for damages and injunctive relief), counterclaim and recover for any past, present or future infringement, violation, dilution or other unauthorized use of any of the Assigned Trademarks;

(c) all of Assignor's rights to receive income, royalties, damages, payments or other consideration now or hereafter due or payable with respect to any of the Assigned Trademarks;

(d) all of Assignor's rights to prosecute and maintain the Assigned Trademarks; and

(e) all other rights and interests of Assignor arising out of, in connection with or in relation to any of the Assigned Trademarks.

2. Assignor hereby authorizes and requests the United States Patent and Trademark Office and each other trademark office or applicable governmental agency in each applicable jurisdiction to record this Assignment and to issue any and all trademark registrations included in the Trademark Rights to and in the name of Assignee.

3. From and after the Effective Date, Assignor shall cooperate with Assignee and Assignee's representatives, and shall execute and deliver such documents and take such other actions as Assignee may reasonably request, to cause to be conveyed to Assignee and its successors or assigns all of the rights, titles and interests intended to be conveyed to Assignee under this Assignment. Assignor hereby irrevocably nominates, constitutes and appoints Assignee as the true and lawful attorney-in-fact of Assignor (with full power of substitution) effective as of the Effective Date, and hereby authorizes Assignee, in the name of and on behalf of Assignor, to execute, deliver, acknowledge, certify, file and record any document and to take any other action (on or at any time after the date of this Assignment) that Assignee may deem appropriate for the purpose of collecting, asserting, enforcing or perfecting any claim, right or interest of any kind that is included in or relates to any of the Trademark Rights or otherwise carrying out or facilitating any of the transactions contemplated hereby. The power of attorney referred to in the preceding sentence is and shall be coupled with an interest and shall be irrevocable, and shall survive the dissolution or insolvency of Assignor.

4. This Assignment shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware (including in respect of the statute of limitations or other limitations period

applicable to any such claim, controversy or dispute unless this Assignment expressly states otherwise), without giving effect to conflict of law principles thereof. This Assignment shall inure to the benefit of and is binding upon the respective successors and assigns of Assignor and Assignee. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party will not be applied in the construction or interpretation of this Assignment. The words "include", "including" and variations thereof will be deemed to be followed by the words "without limitation". The use of "or" will not be deemed to be exclusive. This Assignment may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original but all of which together shall constitute one and the same agreement.
