AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This Amended and Restated Trademark Security Agreement (this “Trademark Security Agreement”) is made as of this 4<sup>th</sup> day of March, 2019, among the Grantors listed on the signature pages hereof (collectively, jointly and severally, “Grantors” and each individually “Grantor”), and PNC BANK, NATIONAL ASSOCIATION, in its capacity as “Agent” (as defined under the Domestic Credit Agreement) for the “Lenders” (as defined below) and as “Agent” (as defined under the ExIm Loan Agreement) for the “Lenders” (as defined below) (together with its successors and assigns in such capacities, individually and collectively “Agent”).

W I T N E S S E T H:

WHEREAS, pursuant to (i) that certain Third Amended and Restated Revolving Credit and Security Agreement, dated as of the date hereof, among GREENFIELD WORLD TRADE, INC., a Florida corporation (“GWT”), GREENFIELD WORLD TRADE EXPORTS INC., a Florida corporation (“Greenfield Exports”), OMEGA PRODUCTS, INC., a Pennsylvania corporation (“Omega”), MORADA PRODUCTS, LLC, a Florida limited liability company (“Morada”), EDGE-CRAFT CORPORATION, a Delaware corporation (“Edgecraft”), and AVANTI PRODUCTS, LLC, a Delaware limited liability company (“Avanti”, collectively with GWT, Greenfield Exports, Omega, Morada, Edgecraft and any other Person which may become a Borrower thereunder pursuant to Section 7.12, the “Borrowers” and each individually a “Borrower”), the financial institutions from time to time parties thereto as lenders (the “Lenders”) and the Agent (as further amended, amended and restated, supplemented or otherwise modified from time to time, the “Domestic Credit Agreement”) and (ii) that certain Third Amended and Restated Export-Import Loan and Security Agreement, dated as of the date hereof, among the Borrowers, the Lenders and the Agent (as further amended, amended and restated, supplemented or otherwise modified from time to time, the “ExIm Loan Agreement” and together with the Domestic Credit Agreement, collectively, the “Credit Agreements”), the Lenders agreed to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof;

WHEREAS, pursuant to the Credit Agreements, Grantors are required to execute and deliver to Agent, for the benefit of the Lenders, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreements.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Agent, for the benefit of the Lenders, a continuing first priority security interest in all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “Trademark Collateral”):

(a) all of such Grantor's trademarks, trademark applications, service marks, trade names, mask works and associated goodwill (collectively, "Trademarks"), and licenses for any of the foregoing ("Licenses"), including those referred to on Schedule I hereto;

(b) all reissues, continuations, continuations-in-part, substitutes, extensions or renewals of and improvements on the foregoing; and

(c) all products and proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future infringement or dilution of any Trademark or any Trademark licensed under any License.

3. CERTAIN LIMITED EXCLUSIONS. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2 hereof attach to any "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, to the extent, if any, that, and during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

4. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secure the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantors, or any of them, to Agent, the Lenders or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

5. CREDIT AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Lenders, pursuant to the Credit Agreements. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreements, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

6. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new Trademarks or Licenses for Trademarks, this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Agent with respect to any such new Trademarks or Licenses for Trademarks. Without limiting Grantors' obligations under this Section 5, Grantors hereby authorize Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new Trademarks or Licenses for Trademarks of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

7. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any Other Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

8. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any Other Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Trademark Security Agreement or any Other Document refer to this Trademark Security Agreement or such Other Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such Other Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any Other Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any Other Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms of the Credit Agreements) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person’s successors and assigns.

9. AMENDED AND RESTATED. This Trademark Security Agreement amends and restates, but does not extinguish the obligations evidenced by, and is not a novation of that certain (i) Amended and Restated Trademark Security Agreement dated as of June 2, 2016, by GWT in favor of the Agent and (ii) Trademark Security Agreement dated as of June 2, 2016, by Edgcraft in favor of the Agent.
