NOTICE AND CONFIRMATION OF GRANT OF
SECURITY INTEREST IN TRADEMARKS

NOTICE AND CONFIRMATION OF GRANT OF SECURITY INTEREST IN TRADEMARKS dated as of April 25, 2019 (this "Agreement"), between MONRO, INC., a New York corporation (together with its successors and assigns, the "Debtor"), and CITIZENS BANK, N.A., as administrative agent (together with its successors and assigns in such capacity, the "Secured Party"), for the benefit of the Lenders (as defined in the Security Agreement referred to below):

RECITALS:

This Agreement is made pursuant to the Amended and Restated Credit Agreement, dated as of the date hereof (as amended, restated or otherwise modified from time to time, the "Credit Agreement"), among MONRO, INC., a New York corporation (together with its successors and assigns, the "Borrower"), the lenders party thereto (the "Lenders"), and the Secured Party.

In connection with the Credit Agreement, the Debtor is a party to a Security Agreement, dated as of January 25, 2016 (as amended, restated or otherwise modified from time to time, the "Security Agreement"), among the Debtor, the other debtors named therein and the Secured Party, pursuant to which the Debtor has granted to the Secured Party, for the benefit of the Lenders, a continuing security interest in, and lien on, certain Collateral (as defined in the Security Agreement), including the Trademarks (as defined in the Security Agreement), whether now owned or existing or hereafter acquired or arising.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Debtor hereby covenants and agrees with the Secured Party and the other Lenders as follows:

Section 1. Defined Terms. Terms used herein without definition shall have the respective meanings ascribed thereto in the Security Agreement.

Section 2. Confirmation of Grant of Security Interest. As security for the prompt payment and performance of the Obligations, the Debtor hereby confirms that, pursuant to the Security Agreement, it granted to the Secured Party, for the benefit of the Lenders, a continuing security interest in, a general lien upon and/or a right of set-off against (whether now owned or hereafter acquired by the Debtor and whether acquired in the United States or elsewhere in the world) all right, title and interest of the Debtor in and to the following, whether now existing or hereafter acquired and wherever located:

- (i) all Trademarks registered with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);
- (ii) all applications for the registration of Trademarks filed with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);

(iii) all trademarks, trade names and service marks registered with any office, agency or other Governmental Authority of any State, the District of Columbia or any possession or territory of the United States;

(iv) all trademarks, trade names and service marks registered with any office, agency or other Governmental Authority of any other country or any province, department or other governmental subdivision thereof;

(v) all registrations and recordings with respect to any of the foregoing;

(vi) all reissues, extensions and renewals of any of the foregoing;

(vii) all corporate names, business names, trade styles, logos, other source or business identifiers;

(viii) all licenses and other agreements relating in whole or in part to any of the foregoing, including all rights to payments in respect thereof;

(ix) all rights to sue for past, present or future infringements of any of the foregoing;

(x) all good will related to any of the foregoing;

(xi) to the extent not included above, all general intangibles (as such term is defined in the UCC) of the Debtor related to the foregoing; and

(xii) all proceeds of any and all of the foregoing.

Notwithstanding the foregoing, in no event shall the collateral described in this Section 2 include any "intent to use" Trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such applications under applicable law.

Section 3. Reference to Separate Security Agreement. This Agreement has been entered into by the Debtor and the Secured Party primarily for recording purposes as contemplated by the Security Agreement. In the event of any inconsistency between any of the terms or provisions hereof and the terms and provisions of the Security Agreement, the terms and provisions of the Security Agreement shall govern.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered by their duly authorized officers as of the date first set forth above.

MONRO, INC.,
a New York corporation
