SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("**Agreement**"), dated as of May 23, 2019 is made by A-Gas US Inc. (the "**Grantor**"), in favor of Wilmington Trust (London) Limited, as Security Agent (the "**Agent**") for the Secured Parties under the Intercreditor Agreement, dated as of July 25, 2017 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "**Intercreditor Agreement**"), between, amongst others, the Parent, the Security Agent and the financial institutions listed therein.

W I T N E S S E T H:

WHEREAS, the Grantor is party to the Intercreditor Agreement;

WHEREAS, in connection with the Secured Debt Documents, the Grantor has executed and delivered, as applicable, a supplement dated as of February 4, 2019, to the Security Agreement dated as of September 1, 2017, whereby the Grantor became a party thereto (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "**Security Agreement**"); and

WHEREAS, pursuant to the Security Agreement, the Grantor has pledged and granted to the Agent for the benefit of the Secured Parties a continuing security interest in all Intellectual Property, including the Trademarks;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor agrees, for the benefit of the Agent and the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Intercreditor Agreement and the Security Agreement.
2. Grant of Security Interest. Subject to the Agreed Security Principles, the Grantor hereby grants a security interest in all of Grantor's right, title and interest in, to and under the Trademarks listed on Schedule A hereto, including the right to receive all Proceeds therefrom (collectively, the "**Collateral**"), to the Agent for the benefit of the Secured Parties, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations; provided, that (x) the Collateral for any Secured Obligations shall not include any Excluded Property and (y) none of the foregoing items shall constitute Collateral to the extent that the grant of the Security Interest therein would violate any Requirement of Law or constitute or result in the abandonment, termination, acceleration, invalidation or rendering unenforceable of any right, title or interest therein or result in a breach of the terms of or constitute a breach or default thereunder, including any "intent to use" Trademark application filed in the United States Patent and Trademark Office unless and until an amendment to allege use or a statement of use has been filed under 15 U.S.C. §1501(d) and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.
3. Purpose. This Agreement has been executed and delivered by Grantor for the purpose of recording the grant of security interest herein with the United States Trademark Office. The security interest granted hereby has been granted to the Agent for the benefit of the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and

conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms. For avoidance of doubt, the terms of this Agreement shall not operate or be construed so as to prohibit or restrict any transaction, matter or other step not prohibited by the Debt Financing Agreements.

4. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Debt Financing Agreements and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.
5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
6. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

[signatures follow]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
