EXECUTION VERSION

SHORT-FORM TRADEMARK SECURITY AGREEMENT

WHEREAS, MUZAK LLC (the “Grantor”) has adopted, used, is using, or intends to use, and is the owner of the trademark registrations and trademark applications listed in the attached Schedule of Registered Trademarks;

WHEREAS, the Grantor has contemporaneously with the execution of this Short-Form Trademark Security Agreement entered into the Second Lien Pledge and Security Agreement dated as of June 28, 2019 (as modified from time to time, the “Security Agreement”), in which the Grantor has granted certain interests in favor of The Bank of New York Mellon, as Collateral Agent (“Collateral Agent”) for the benefit of the Secured Parties (as defined therein); and

WHEREAS, pursuant to the Security Agreement, the Grantor has agreed with Collateral Agent and the Secured Parties to execute this Short-Form Trademark Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby grants to Collateral Agent for the benefit of the Secured Parties, to the extent provided in the Security Agreement (the terms and conditions of which are hereby incorporated herein), a security interest in all of its right, title and interest in, to and under all the trademarks, whether now owned or at any time hereafter acquired, of the Grantor that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including the trademarks registrations and trademark applications listed on the attached Schedule of Registered Trademarks, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation of such trademark application), as collateral security for the prompt and complete payment and performance when due of all the Secured Obligations (as defined in the Security Agreement). Notwithstanding the foregoing, in the event of any conflict between this Short-Form Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

Date: June 28, 2019
