EXECUTION VERSION

TRADEMARK SECURITY AGREEMENT dated as of August 20, 2019 (this “Agreement”), among MAGIC LEAP, INC. (“Magic Leap”) and Molecular Imprints, Inc. (together with Magic Leap, the “Grantors” and each a “Grantor”) and JPMorgan Chase Bank, N.A., as Collateral Agent (in such capacity, together with its successors and assigns, the “Collateral Agent”).

Reference is made to the Collateral Agreement dated as of August 20, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among the Company, the other grantors from time to time party thereto and the Collateral Agent. The parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in the Collateral Agency and Intercreditor Agreement also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of all Secured Obligations, each Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the “Security Interest”) in all of such Grantor’s right, title and interest in, to and under the Trademarks, including the registrations and applications thereof listed on Schedule I (the “Trademark Collateral”).

SECTION 3. Collateral Agreement. The Security Interest granted to the Collateral Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

SECTION 5. GOVERNING LAW. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.
