CONFIRMATION/ASSIGNMENT

Day International, Inc., a Delaware corporation having a place of business at 14909 North Beck Road, Plymouth, Michigan 48170, United States of America ("ASSIGNOR"), for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, has assigned or now does assign to

Qingdao Bo Fa Technology Co. Ltd., a Chinese company having a place of business at Room 801, Floor 8, Building 3, 130 Jushuidong Road, Licang District, Qingdao, China, its successors and assigns (individually and collectively, "ASSIGNEE"),

(1) the entire right, title, and interest in and to the patents and patent application set out in the attached Asset List, and any continuing and counterpart applications, reissues, revivals, renewals, reexaminations, extensions, continuations, and divisionals thereof and any substitute applications therefor, including but not limited to the right to claim priority to and the right to sue for past damages for any of these;

(2) the full and complete right to prosecute the patent application set out in the attached Asset List or any continuing and counterpart applications, reissues, revivals, renewals, reexaminations, extensions, continuations, and divisionals thereof and any substitute applications therefor, and the right to claim priority based on the filing date of the application, in the name of ASSIGNEE or its designee and the entire right, title, and interest in and to any Letters Patent that may issue thereon and in and to any reissues, revivals, renewals, reexaminations, extensions, continuations, and divisionals thereof; and

(3) the entire right, title, and interest in and to the trademarks set out in the attached Asset List together with all of the goodwill associated with and symbolized by the trademarks, including any applications, registrations, renewals and extensions thereof for the trademarks and all other corresponding rights at common law or otherwise that are or may be secured now or hereafter in effect; including all rights to collect royalties, products and proceeds in connection with any of the foregoing and all rights to sue for past, present or future infringement, misappropriation or other violation of the foregoing, and all rights to recover damages or lost profits in connection therewith

ASSIGNOR warrants and covenants that ASSIGNOR had or does have the full right to convey the entire right, title, and interest herein assigned at the time of the assignment. ASSIGNOR warrants and covenants that ASSIGNOR has not executed and will not execute any conflicting assignment.

ASSIGNOR further agrees at any time to execute and to deliver upon request of the ASSIGNEE such additional documents, if any, to perfect the rights of the ASSIGNEE under this Confirmation/Assignment.

A signature to this Confirmation/Assignment delivered by telecopy or other electronic means will be deemed valid. This Confirmation/Assignment shall be governed by and construed in accordance with the laws of the State of Michigan (regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof).

IN WITNESS WHEREOF, each of the Parties has caused this Confirmation/Assignment to be duly executed and delivered by its duly authorized representative.
