**AMENDED AND RESTATED
INTELLECTUAL PROPERTY SECURITY AGREEMENT**

This AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “Agreement”) is made as of December 20, 2019, among the signatories hereto (each, a “Grantor”) in favor of PNC BANK, NATIONAL ASSOCIATION, as collateral agent for the Secured Parties (in such capacity, the “Collateral Agent”).

RECITALS:

WHEREAS, reference is made to that Amended and Restated Senior Secured ABL Loan, Security and Guaranty Agreement, dated as of November 15, 2017 (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “ABL Loan Agreement”; capitalized terms used in this Agreement and not otherwise defined herein have the meanings set forth in the ABL Loan Agreement), by and among each Grantor, certain other affiliates of each Grantor, certain lenders party thereto and the Collateral Agent; and

WHEREAS, under the terms of the ABL Loan Agreement, each Grantor has (i) as collateral security for the Obligations, granted to the Collateral Agent a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the Collateral, including, without limitation, certain Intellectual Property of such Grantor and (ii) agreed to execute this Agreement for recording with the United States Patent and Trademark Office and other applicable Governmental Authorities.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, each Grantor and the Collateral Agent hereby agree as follows:

SECTION 1. Grant of Security. As collateral security for the Obligations, each Grantor hereby grants to the Collateral Agent a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the following, whether now owned or hereafter acquired, excluding, however, any of the following that is an Excluded Asset (collectively, the “Intellectual Property Collateral”):

(a) (i) All trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (or any successor office) or any similar offices in any State of the United States, and all extensions or renewals thereof, including those listed on Schedule 1 hereto, (ii) all goodwill associated therewith or symbolized thereby and (iii) all other assets, rights and interests that uniquely reflect or embody such goodwill.

(b) (i) All letters patent of the United States, all registrations and recordings thereof, and all applications for letters patent of the United States, including registrations,

recordings and pending applications in the United States Patent and Trademark Office (or any successor office), including those listed on Schedule 2 hereto, and (ii) all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein.

SECTION 2. Recordation. The parties hereto authorize and request that the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement.

SECTION 3. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 4. Governing Law. This Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 5. Conflict Provision. This Agreement has been entered into in conjunction with the provisions of the ABL Loan Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to those set forth in the ABL Loan Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are in conflict with the ABL Loan Agreement, the provisions of the ABL Loan Agreement shall govern.

SECTION 6. Amendment and Restatement. This Agreement amends, restates, replaces and consolidates (i) that certain Intellectual Property Security Agreement dated as of July 29, 2015, by and between certain of the Grantors and the Collateral Agent and (ii) that certain Supplemental Intellectual Property Security Agreement dated as of November 15, 2017, by and between certain of the Grantors and the Collateral Agent, in each case as amended or otherwise modified from time to time.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor and the Collateral Agent have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.

ALUDYNE, INC. (formerly known as Chassis, Inc.), as a Grantor
