RELEASE OF SECURITY INTEREST IN TRADEMARKS

THIS RELEASE dated as of March 29, 2018 (this "Release") is made by U.S. Bank National Association, a national banking association, as Collateral Agent (the "Secured Party"), under the Trademark Security Agreement dated as of January 18, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement") by and between the Secured Party and Wells Enterprises, Inc. (the "Debtor") and recorded in the records of the United States Patent and Trademark Office at Trademark Reel 4948, Frame 0455.

WHEREAS, pursuant to the Security Agreement, the Debtor granted to the Secured Party a security interest in the Debtor's trademarks, including but not limited to the trademarks listed on attached Schedule A (the "Trademarks").

WHEREAS, the Secured Party wishes to: (i) release and terminate all of its security interest covering the Trademarks; (ii) restore all right, title and interest in and to the Trademarks to Debtor; and (iii) terminate any and all liens and encumbrances respecting the Trademarks under the Security Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Secured Party does hereby release and terminate its security interest in the Trademarks, and discharges, quit claims and relinquishes unto the Debtor (in each case without recourse and without any representation or warranty) any and all right, title and interest it has in and to the Trademarks under the Security Agreement.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the Secured Party has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date above.

U.S. BANK NATIONAL ASSOCIATION, as
Collateral Agent

By: 
Name: Raymond S. Haverstock
Title: Vice President

Exhibit A

Reference is made to the Lien Subordination and Intercreditor Agreement, dated as of January 18, 2013, among Wells Fargo Bank National Association, as agent for the ABL Secured Parties referred to therein; U.S. Bank National Association, as Noteholder Collateral Agent (as defined in the Intercreditor Agreement); Wells Enterprises, Inc. ("Enterprises"); and the Subsidiaries of Enterprises named therein (as the same may be amended, restated, supplemented and/or otherwise modified from time to time, the "Intercreditor Agreement"). Each Person that is secured hereunder, by accepting the benefits of the security provided hereby, (i) consents (or is deemed to consent), to the subordination of Liens provided for in the Intercreditor Agreement, (ii) agrees (or is deemed to agree) that it will be bound by, and will take no actions contrary to, the provisions of the Intercreditor Agreement, (iii) authorizes (or is deemed to authorize) the Noteholder Collateral Agent (as defined in the Intercreditor Agreement) on behalf of such Person to enter into, and perform under, the Intercreditor Agreement and (iv) acknowledges (or is deemed to acknowledge) that a copy of the Intercreditor Agreement was delivered, or made available, to such Person.

Notwithstanding any other provision contained herein, this Agreement (as defined below), the Liens created hereby and the rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of the Intercreditor Agreement and, to the extent provided therein, the applicable Security Documents (as defined in the Intercreditor Agreement). In the event of any conflict or inconsistency between the provisions of this Agreement and the Intercreditor Agreement, the provisions of the Intercreditor Agreement shall control.

TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 18 day of January, 2013, by and among Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and **U.S. BANK NATIONAL ASSOCIATION**, a national banking association, in its capacity as agent for the Secured Parties (in such capacity, together with its successors and assigns in such capacity, "Collateral Agent").

W I T N E S S E T H:

WHEREAS, pursuant to that certain Indenture dated as of January 18, 2013 (as amended, restated, supplemented, or otherwise modified from time to time, the "Indenture") by and among **WELLS ENTERPRISES, INC.**, an Iowa corporation (the "Company"), the Trustee and the Collateral Agent, the Company issued on the date hereof \$235,000,000 principal amount of 6.75% senior secured notes due 2020 (together with any Additional Notes issued from time to time under the Indenture, the "Notes") upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor will derive substantial direct and indirect benefits from the execution, delivery and performance of the extensions of credit under the Indenture, the Notes and any Permitted Additional Parity Debt Agreement and each is therefore willing to enter into that certain Security Agreement, dated as of January 18, 2013 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to the Collateral Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Indenture, and this Trademark Security Agreement shall be subject to the rules of construction set forth in Section 1(b) of the Security Agreement, which rules of construction are incorporated herein by this reference, *mutatis mutandis*.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants and pledges to the Collateral Agent, for the benefit of each Secured Party, to secure the Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the “Security Interest”) in all of such Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the “Trademark Collateral”):

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

3. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to the Collateral Agent, the other Secured Parties or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency or Liquidation Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any incon-

sistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. Grantors hereby authorize the Collateral Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement is a Note Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

7. CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE PROVISION. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE SET FORTH IN SECTION 27 OF THE SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.

8. INTERCREDITOR AGREEMENT. Notwithstanding anything herein to the contrary, in the event of any conflict between any provision in this Trademark Security Agreement and any provision in the Intercreditor Agreement, such provision in the Intercreditor Agreement shall control.

[signature page follows]

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Security Agreement to be executed and delivered as of the day and year first above written.
