WHEREAS, Companies have granted to Lender, a security interest in substantially all of the assets of Companies including all right, title and interest of Companies in, to and under all now owned and hereafter acquired trademarks, together with the goodwill of the business symbolized by Companies' trademarks, and all products and proceeds thereof, to secure the payment of all amounts owing by Companies under the Loan Agreement;

Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule A shall in any way affect, invalidate or detract from Lender's continuing security interest in all Collateral, whether or not listed on Schedule A.
