GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS, effective as of May 12, 2020 (the "Agreement") is made by the Persons listed on the signature pages hereof (collectively, the "Obligors"), in favor of Deutsche Bank Trust Company Americas, a New York banking corporation ("DB"), as Notes Collateral Agent (the "Agent") for the Secured Parties, under that certain Indenture, dated as of May 12, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Indenture"), among AVIS BUDGET CAR RENTAL, LLC, a Delaware limited liability company (the "Company"), AVIS BUDGET FINANCE, INC., a Delaware corporation (the "Co-Issuer", and together with the Company, the "Issuers"), the Guarantors (as defined in the Indenture) and DB, as trustee (in such capacity, the "Trustee") and as the Agent.

W I T N E S S E T H:

WHEREAS, the proceeds of the Notes issued under the Indenture will be used in part to enable the Issuers to make valuable transfers to one or more of the other Obligors in connection with the operation of their respective businesses; and

WHEREAS, in connection with the Indenture, the Company, each Obligor and certain other subsidiaries and affiliates of the Company have executed and delivered a Notes Collateral Agreement, dated as of May 12, 2020 in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Notes Collateral Agreement");

WHEREAS, pursuant to the Notes Collateral Agreement, each Obligor pledged and granted to the Agent for the benefit of the Agent, the Trustee and the Holders a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, each Obligor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Trustee and the Agent to enter into the Indenture and purchase the Notes, each Obligor agrees, for the benefit of the Agent and the Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Indenture and the Notes Collateral Agreement.

SECTION 2. Grant of Security Interest. Each Obligor hereby grants to the Agent, for the ratable benefit of the Secured Parties, a security interest in, all of the Trademarks now owned by such Obligor or in which such Obligor now has any right, title or interest

(including, without limitation, those items listed on Schedule A hereto), in each case, excluding any Excluded Property (such property excluding any and all Excluded Property being collectively referred to as, the “Collateral”), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Obligor’s Obligations. Notwithstanding the foregoing, no grant of any security interest shall be deemed granted hereunder on or in any “intent to use” Trademark application for which a statement of use has not been filed and accepted with the United States Patent and Trademark Office.

SECTION 3. Purpose. This Agreement has been executed and delivered by each Obligor hereto for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Agent and the other Secured Parties in connection with the Notes Collateral Agreement and is expressly subject to the terms and conditions thereof. The Notes Collateral Agreement (and all rights and remedies of the Agent and the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Obligor does hereby further acknowledge and affirm that the rights and remedies of the Agent and the other Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Indenture and the Notes Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Notes Collateral Agreement, the terms of the Notes Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

[Signature pages follow.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
