**SUPPLEMENT NO. 1  
TO  
INTELLECTUAL PROPERTY SECURITY AGREEMENT**

June 10, 2020

WHEREAS, DANSONS US, LLC, an Arizona limited liability company (“Grantor”), and JPMorgan Chase Bank, N.A., as administrative agent (in such capacity, together with any successor administrative agent, the “Agent”), are parties to that certain Intellectual Property Security Agreement, dated as of July 6, 2018 (as the same may be amended or supplemented from time to time, the “IP Security Agreement”; capitalized terms used but not defined herein shall have the meanings specified in the IP Security Agreement), pursuant to which the Grantor granted to the Agent, to secure the prompt payment and performance in full when due of the Secured Obligations, a security interest in all of the Grantor’s right, title and interest in, to and under Collateral consisting of any Intellectual Property arising under the laws of Canada or the United States of America, now owned or at any time hereafter acquired by the Grantor;

WHEREAS, the Grantor has acquired or created additional Intellectual Property since the date of execution of the IP Security Agreement; and

WHEREAS, Schedule I to the IP Security Agreement does not reflect all Intellectual Property acquired or created by the Grantor since the date of execution of the IP Security Agreement.

THEREFORE,

A. The Grantor hereby grants to the Agent to secure the prompt payment and performance in full when due of the Secured Obligations, a continuing first priority security interest in all of the Grantor’s right, title and interest in, to and under Collateral consisting of any Intellectual Property arising under the laws of Canada or the United States of America, now owned or at any time hereafter acquired by the Grantor, including the Intellectual Property added to Schedule I of the IP Security Agreement pursuant to paragraph B below.

B. The IP Security Agreement is hereby supplemented, effective as of the date hereof, by amending Schedule I thereof so as to add the Intellectual Property listed on Schedule A hereto.

This Supplement No. 1 to Intellectual Property Security Agreement (this “Supplement”) has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office and the Canadian Intellectual Property Office. The security interest granted hereby has been granted to the Agent in connection with the U.S. Security Agreement and is expressly subject to the terms and conditions thereof. The U.S. Security Agreement (and all rights and remedies of the Agent and the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

Except as expressly supplemented hereby, the IP Security Agreement shall continue in full force and effect in accordance with the provisions thereof on the date hereof. As used in the IP Security Agreement, the terms “Agreement,” “this Agreement,” “herein,” “hereafter,” “hereto,” “hereof” and words of similar import, shall, unless the context otherwise requires, mean the IP Security Agreement as supplemented by this Supplement.

Except as expressly supplemented hereby, the IP Security Agreement and all documents contemplated thereby, are each hereby confirmed and ratified by the Grantor.

The execution and filing of this Supplement, and the addition of the Intellectual Property set forth herein are not intended by the parties to derogate from, or extinguish, any of the Agent's or any Secured Party's rights or remedies under (i) the IP Security Agreement and/or any agreement, amendment or supplement thereto or any other instrument executed by the Grantor and heretofore recorded or submitted for recording in the U.S. Patent and Trademark Office or the Canadian Intellectual Property Office, or (ii) any financing statement, continuation statement, deed or charge or other instrument executed by the Grantor and heretofore filed in any state or county in the United States of America, Canada or elsewhere.

This Supplement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Supplement by email, .pdf, facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Supplement. Each party agrees that the electronic signatures of the parties included in this Supplement are intended to authenticate this writing and to have the same force and effect as manual signatures. As used herein, "electronic signatures" mean any electronic sound, symbol, or process attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record pursuant to the New York Electronic Signatures and Records Act (N.Y. State Tech. §§ 301-309) as amended from time to time or as provided under the Uniform Commercial Code as adopted by the State of New York.

This Supplement shall be governed by, and construed in accordance with, the internal laws (and not the law of conflicts) of the State of New York, but giving effect to federal laws applicable to national banks. THIS SUPPLEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CONSENT TO JURISDICTION AND JURY TRIAL WAIVER SET FORTH IN SECTIONS 8.17 AND 8.18 OF THE U.S. SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.

[Signature pages follow]

IN WITNESS WHEREOF, the parties have caused this Supplement No. 1 to the Intellectual Property Security Agreement to be duly executed and delivered by their respective officers as of the date first set forth above.
