United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that, pursuant to that certain Collateral Agreement, dated as of October 5, 2020 (as the same may be amended, restated, amended and restated, supplemented, extended, and/or otherwise modified in writing from time to time, the "Agreement"), by and among the Obligors party thereto (each, an "Obligor"; and collectively, the "Obligors"), and Bank of America, N.A., as collateral agent (the "Collateral Agent") for the Secured Parties referenced therein, the undersigned Obligor has, in accordance with the terms of the Agreement, granted a continuing security interest in, and a right to set off against, the trademarks and trademark applications identified on Schedule I hereto to the Collateral Agent, for the benefit of the Secured Parties.

The undersigned Obligor and the Collateral Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest in the foregoing trademarks and trademark applications: (i) may only be terminated in accordance with the terms of the Agreement; (ii) is not to be construed as an assignment of any trademark or trademark application; and (iii) Obligor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the foregoing made and granted hereby are more fully set forth in the Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein and that in the event that any provision of this notice is deemed to conflict with the Agreement, the provisions of the Agreement shall control. This Notice of Grant of Security Interest in Trademarks may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.
