GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (“Agreement”), effective as of November 13, 2020, is made by LIBBEY GLASS LLC, a Delaware limited liability company, located at 300 Madison Avenue, Toledo, Ohio 43604 (the “Company”) in favor of Alter Domus (US) LLC, as collateral agent (in such capacity, the “Collateral Agent”) on behalf of the Senior Credit Parties (as defined in the Credit Agreement (as defined below)) pursuant to the Term Loan Credit Agreement, dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among the Company, as borrower, LG Acquirer Holdco Inc., a Delaware corporation (“Holdings”), the Collateral Agent, Alter Domus (US) LLC, as administrative agent for the Lenders, and the Lenders party thereto and the Pledge and Security Agreement (as defined below).

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make loans to the Company upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Company, Holdings and any subsidiaries that become a party thereto, have executed and delivered a Pledge and Security Agreement, dated as of the date hereof, in favor of the Collateral Agent (as amended, restated, supplemented or otherwise modified from time to time, the “Pledge and Security Agreement”);

WHEREAS, pursuant to the Pledge and Security Agreement, the Company pledged, collaterally assigned and granted to the Collateral Agent for the benefit of the Collateral Agent and the Senior Credit Parties a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, the Company has duly authorized the execution, delivery and performance of this Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Collateral Agent to enter into the Credit Agreement and the Lenders to make loans, the Company agrees, for the benefit of the Collateral Agent and the Senior Credit Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Pledge and Security Agreement.
2. Grant of Security Interest. The Company hereby pledges, collaterally assigns and grants a security interest in all of the Company’s right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the “Collateral”), to the Collateral Agent for the benefit of the Senior Credit Parties to secure the prompt and complete payment and performance of the Secured Obligations when due (whether at stated maturity, by acceleration or otherwise). Notwithstanding the foregoing and for the avoidance of doubt, the Collateral shall not include any Excluded Collateral (including any applications to register Trademarks on the

basis of any Grantor's "intent to use" such marks unless and until the filing of a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted).

3. Purpose. This Agreement has been executed and delivered by the Company for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Senior Credit Parties in connection with the Pledge and Security Agreement and is expressly subject to the terms and conditions thereof. The Pledge and Security Agreement (and all rights and remedies of the Senior Credit Parties thereunder) shall remain in full force and effect in accordance with its terms.
4. Acknowledgment. The Company does hereby further acknowledge and affirm that the rights and remedies of the Senior Credit Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Pledge and Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Pledge and Security Agreement, the terms of the Pledge and Security Agreement shall govern.
5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers as of the date first written above.

LIBBEY GLASS LLC
as Grantor

By:
