INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "Agreement") is entered into as of December 30, 2020 (the "Effective Date") by and between Callitech US, Inc., a South Carolina corporation ("Assignor"), and Going Beyond, LLC, a Georgia limited liability company ("Assignee").

RECITALS

WHEREAS, Assignor is the owner of certain Intellectual Property, including without limitation the specific intellectual property set forth in Exhibit A;

WHEREAS, Assignor wishes to hereby transfer and assign such rights, title and interest to Assignee, along with any and all goodwill relating thereto.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Intellectual Property.** "Intellectual Property" means all (i) patents, patent applications, patent disclosures and inventions, (ii) Internet domain names, (iii) trademarks (registered and unregistered), including all service marks, trade dress, trade names, logos, slogans, and corporate names, and registrations and applications for registration thereof together with all of the goodwill associated therewith, (iv) copyrights (registered and unregistered) and copyrightable works, and registrations and applications for registration thereof, (v) mask works and registrations, and applications for registration thereof, (vi) trade secrets and other confidential information (including ideas, databases, compilations, formulas, compositions, recipes, inventions (whether patentable or unpatentable and whether or not reduced to practice), know-how, manufacturing and production processes and techniques, research and development information, drawings, specifications, designs, plans, proposals, technical data, financial and marketing plans and customer and supplier lists and information), (vii) software (including source code, object code, tools, firmware, data, databases, operating systems, specifications and documentation therefor), (viii) other intellectual property rights and (ix) copies and tangible embodiments thereof (in whatever form or medium).

2. **Assignment.** As of the Effective Date, Assignor hereby sells, assigns, transfers, and conveys to Assignee and its successors, assigns, and nominees, Assignor's entire right, title, and interest worldwide in and to the Intellectual Property, including the right to sue for and receive all damages from past infringements arising prior to the Effective Date, the same to be held and enjoyed by Assignee, its successors, assigns, and legal representatives.

3. **Further Assurances.** Assignor further agrees to execute all documents and do all such other things as may be necessary or appropriate to carry out the intent and/or purpose of this Agreement, including but not limited to executing all necessary deeds, agreements or other documents required at law to effect registration or recordal of the assignment of the intellectual property listed in Exhibit A in any jurisdiction. In addition, and without limiting the generality of the foregoing, Assignor further agrees, at the request of Assignee or its successors in interest, to do all lawful acts (including the execution and delivery of any and all affidavits, declarations, oaths, exhibits assignments, powers of attorney or other documentation as may be reasonably required and giving of testimony) which may be required for obtaining and enforcing the intellectual property rights in the Intellectual Property, and to otherwise aid Assignee or its successors in interest in enforcing intellectual property rights in the Intellectual Property, all at the expense of Assignee or its successors in interest.

4. **Power of Attorney.** Assignor hereby constitutes and appoints Assignee and its successors and assigns as Assignor's true and lawful attorneys with full power of substitution, in Assignor's name and

stead but on behalf and for the benefit of the Assignee and its successors and assigns, to demand and receive any and all of the Intellectual Property and to give receipts and releases for and in respect of the same, and any part thereof, and from time to time to institute and prosecute, at the expense and for the benefit of the Assignee and its successors and assigns, any and all proceedings at law, in equity or otherwise, or to execute such documents, which the Assignee or its successors or assigns may deem proper for the collection or reduction to possession of, or recordation of ownership to, any of the Intellectual Property, or for the collection and enforcement of any claim or right of any kind hereby sold, conveyed, transferred and assigned, or intended so to be, and to do all acts and things in relation to the Intellectual Property which the Assignee or its successors or assigns shall deem desirable. The foregoing powers are coupled with an interest and are and shall be irrevocable by the Assignor or by dissolution of the Assignor or in any manner or for any reason whatsoever.

5. **Governing Law.** The formation, construction, and performance of this Agreement, including the rights and duties of the parties hereunder, shall be construed, interpreted, governed, applied and enforced in accordance with the laws of the State of Georgia applicable to agreements entered into and performed entirely therein by residents thereof, without regard to any provisions relating to conflicts of laws among different jurisdictions.

6. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. Any signature page hereto delivered by facsimile, e-mail, or other means will be binding to the same extent as an original signature page, with regard to any agreement subject to the terms hereof or any amendment thereto. Any party that delivers such a signature page agrees to later deliver an original counterpart to any party that requests it.
