INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement"), dated as of January 8, 2021, is made by RECREATIONAL PRODUCTS CONSOLIDATION COMPANY, LLC, a Delaware limited liability company (the "Borrower") and AQUA-LEISURE RECREATION, LLC, a Delaware limited liability company ("Aqua", and together with the Borrower, each a "Grantor" and collectively the "Grantors") in favor of MUZINICH BDC, INC. ("Secured Party").

RECITALS:

A. Grantors and Secured Party are parties to that certain Credit Agreement dated on or about the date of this Agreement (as amended, restated, supplemented, or modified from time to time, the "Credit Agreement"). Capitalized terms used and not defined in this Agreement have the meanings given to them in the Credit Agreement.

B. Pursuant to the Credit Agreement and the other Loan Documents, Grantors are required to execute and deliver this Agreement to Secured Party.

AGREEMENT:

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors agree as follows:

1. GRANT OF SECURITY INTEREST. Grantors hereby grant to Secured Party a continuing security interest in all of each Grantor's right, title and interest in, to and under the following collateral owned by such Grantor, whether presently existing or hereafter created or acquired (except to the extent that any of the following constitutes Excluded Property, as such term is defined in the Security Agreement dated on or about the same date hereof between Grantors, among others, and Secured Party):

(a) each trademark and trademark application, including without limitation, each trademark and trademark application referred to in Schedule 1 attached hereto, together with any reissues, continuations, or extensions thereof and all goodwill associated therewith;

(b) each trademark license, including without limitation, each trademark license listed on Schedule 1 attached hereto, together with all goodwill associated therewith;

(c) all products and proceeds of the foregoing, including without limitation, any claim by any Grantor against third parties for past, present, or future infringement of any trademark, including without limitation, any trademark referred to in Schedule 1 attached hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1, and any trademark licensed under any trademark license listed on Schedule 1 attached hereto (items (a) through and including (c) being herein collectively referred to as the "Trademark Collateral");

(d) each patent and patent application, including without limitation, each patent referred to in Schedule 2 attached hereto, together with any reissues, continuations, or extensions thereof and all goodwill associated therewith;

(e) each patent license, including without limitation, each patent license listed on Schedule 2 attached hereto, together with all goodwill associated therewith;

(f) all products and proceeds of the foregoing, including without limitation, any claim by any Grantor against third parties for past, present, or future infringement of any patent, including

without limitation, any patent referred to in Schedule 2 attached hereto, any patent issued pursuant to a patent application, and any patent licensed under any patent license listed on Schedule 2 attached hereto (items (d) through and including (f) being herein collectively referred to as the “Patent Collateral”);

(g) each copyright and copyright application, including without limitation, each copyright and copyright application referred to in Schedule 3 attached hereto, together with any reissues, continuations, or extensions thereof and all goodwill associated therewith;

(h) each copyright license, including without limitation, each copyright license listed on Schedule 3 attached hereto, together with all goodwill associated therewith; and

(i) all products and proceeds of the foregoing, including without limitation, any claim by any Grantor against third parties for past, present, or future infringement of any copyright, including without limitation, any copyright referred to in Schedule 3 attached hereto, any copyright issued pursuant to a copyright application referred to in Schedule 3, and any copyright licensed under any copyright license listed on Schedule 3 attached hereto (items (g) through and including (i) being herein collectively referred to as the “Copyright Collateral”).

2. LOAN DOCUMENTS. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Secured Party pursuant to the Loan Documents. Grantors acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the Patent Collateral, the Trademark Collateral, and the Copyright Collateral made and granted hereby are more fully set forth in the Loan Documents, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

3. COUNTERPARTS. This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

4. GOVERNING LAW. This Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
