TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of April 22, 2021 (this "Trademark Security Agreement"), made by PCX Aerostructures, LLC, a Delaware limited liability company (the "Grantor"), in favor of HPS INVESTMENT PARTNERS, LLC, as Collateral Agent (the "Collateral Agent").

Reference is made to the Credit Agreement, dated as of April 22, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Rotor Merger Subsidiary, Inc., a Delaware corporation (the "Initial Borrower") and which, concurrently upon the Merger (as defined therein), will be succeeded by PCX Holding Corp., a Delaware corporation ("PCX"), thereunder as the "Borrower", Rotor Holdco, Inc., a Delaware corporation ("Holdings"), HPS Investment Partners, LLC, as administrative agent (in such capacity, including any successor thereto, the "Administrative Agent") and Collateral Agent under the Loan Documents, each lender from time to time party thereto (collectively, the "Lenders" and, individually, each, a "Lender"), and the other Persons party thereto from time to time.

WHEREAS, the Grantor is party to a Security Agreement, dated as of April 22, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), in favor of the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and to induce the Lenders to extend and/or maintain credit under the Credit Agreement, the Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms used herein and not defined have the meaning given to them in the Security Agreement, or if not defined therein, in the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademarks. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest (the "Security Interest") in, all of the Grantor's right, title or interest in or to any and all of the Owned Trademarks included in the Collateral (the "Trademark Collateral"), including those listed on Schedule I hereto, and all proceeds of, and all causes of action arising prior to or after the date hereof for infringement of or unfair competition with respect to, any of the Trademark Collateral and all goodwill associated with such Trademark Collateral, now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest.

SECTION 3. Security Agreement. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement, and the Collateral Agent and the Grantor hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Counterparts. This Trademark Security Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Delivery by telecopier, .pdf or other electronic imaging means of an executed counterpart of a signature page to this Trademark Security Agreement shall be effective as delivery of an original executed counterpart of this Trademark Security Agreement. This Trademark Security Agreement shall become effective as to the Grantor when a counterpart hereof executed on behalf of the Grantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon the Grantor and its permitted successors and permitted assigns.

SECTION 5. Recordation. The Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 6. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 7. Termination. Upon the termination of the Security Agreement in accordance with its terms and written request of the Grantor, the Collateral Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

[Signature Page Follows]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
