TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of June 9, 2021 by DOUGLAS DYNAMICS, L.L.C., TRYNEX INTERNATIONAL LLC, HENDERSON PRODUCTS, INC. and DEJANA TRUCK & UTILITY EQUIPMENT COMPANY LLC (each, a “Grantor”), in favor of JPMORGAN CHASE BANK, N.A., as administrative agent for the Secured Parties (in such capacity as administrative agent, the “Administrative Agent”).

W I T N E S S E T H:

WHEREAS, Grantor is a party to the Pledge and Security Agreement dated as of June 9, 2021 (as it may be from time to time amended, restated, modified or supplemented, the “Security Agreement”), in favor of the Administrative Agent pursuant to which Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Grantor hereby grants to the Administrative Agent for its benefit and for the benefit of the other Secured Parties, a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under all personal property of Grantor including, but not limited to the following, in each case whether now owned or existing or hereafter acquired or arising and wherever located (all of which being hereinafter collectively referred to as the “Collateral”):

- (a) Trademarks of Grantor listed on Schedule I attached hereto;
- (b) all goodwill connected with the use of and symbolized by the foregoing; and
- (c) all Proceeds of any and all of the foregoing.

SECTION 3. Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the security interest granted under Section 2 hereof attach to any lease, license, contract, property rights or agreement to which Grantor is a party or any of its rights or interests thereunder if and for so long as the grant of such security interest shall constitute or result in (a) the abandonment, invalidation or unenforceability of any right, title or interest of Grantor therein or (b) in a breach or termination pursuant to the terms of, or a default under, any such lease, license, contract property rights or agreement (other than to the extent that any such term would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the UCC (or any successor provision or provisions) of any relevant jurisdiction or any other applicable law (including the Bankruptcy Code) or principles of equity), provided however that, in the case of either (a) or (b) above, such security interest shall attach immediately at such time as the condition causing such abandonment, invalidation or unenforceability shall be remedied

and to the extent severable, shall attach immediately to any portion of such Lease, license, contract, property rights or agreement that does not result in any of the consequences specified in (a) or (b) above.

SECTION 4. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 5. Termination. Upon the payment in full of all Secured Obligations and the cancellation or termination of the Commitments, the Administrative Agent shall execute and deliver to Grantor any documents or instruments in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

(Remainder of page intentionally left blank.)

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
