GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS

Dated as of June 30, 2021

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, WANRack, LLC, a Delaware limited liability company (the “Grantor”) with principal offices at 15700 College Blvd., Suite 200, Lenexa, Kansas 66219, hereby grants to Wells Fargo Bank, National Association, as Collateral Agent, with offices at Corporate Trust Services, 9062 Old Annapolis Road, Columbia, Maryland 21045, Attention: Jason Prisco or Anthony Tarantola- Crescendo, (the “Grantee”), a continuing security interest in (i) all of the Grantor’s right, title and interest in, to and under to the United States trademarks, trademark registrations and trademark applications (the “Marks”) set forth on Schedule A attached hereto, (ii) all Proceeds (as such term is defined in the Security Agreement referred to below) and products of the Marks, (iii) the goodwill of the businesses with which the Marks are associated and (iv) all causes of action arising prior to or after the date hereof for infringement of any of the Marks or unfair competition regarding the same.

THIS GRANT is made to secure the satisfactory performance and payment of all the Obligations of the Grantor, as such term is defined in the Security Agreement among the Grantor, the other assignors from time to time party thereto and the Grantee, dated as of June 30, 2021 (as amended, modified, restated and/or supplemented from time to time, the “Security Agreement”). Upon the satisfaction of the obligations secured hereby under the terms of the Security Agreement, the Grantee shall execute, acknowledge, and deliver to the Grantor (without recourse and without any representation or warranty) an instrument in writing releasing the security interest in the Marks acquired under this Grant.

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement. The rights and remedies of the Grantee with respect

to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

This Grant shall be valid, binding, and enforceable against a party only when executed and delivered by an authorized individual on behalf of the party by means of (i) any electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including relevant provisions of the UCC (collectively, "Signature Law"); (ii) an original manual signature; or (iii) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Grant may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

[Remainder of this page intentionally left blank; signature page follows]

IN WITNESS WHEREOF, the undersigned have executed this Grant as of the date first above written.

WANRACK, LLC, Grantor
