TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of July 22, 2021, is made by the grantors signatory hereto (collectively, the “Grantors”, and each individually, a “Grantor”), in favor of **JPMORGAN CHASE BANK, N.A.**, as Lender under the below-defined Credit Agreement (the “Grantee”). Capitalized terms used but not otherwise defined in this Trademark Security Agreement shall have the meanings assigned to such terms in the Credit Agreement (as hereinafter defined).

RECITALS

WHEREAS, Each Grantor owns the Trademark registrations, and Trademark applications listed on **Schedule 1** annexed hereto; and

WHEREAS, Each Grantor has entered into that certain Credit Agreement, dated as of March 21, 2019 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among, inter alia, the Grantors and certain of the Grantors’ affiliates as loan parties (the “Loan Parties”) and Grantee, as Lender, which provides for extensions of credit and other financial accommodations to be made to the Loan Parties by Lender; and

WHEREAS, pursuant to the terms of that certain Security Agreement, dated as of March 21, 2019 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), each Grantor has granted to Grantee a security interest in substantially all the assets of such Grantor including all right, title and interest of such Grantor in, to and under all now owned and hereafter acquired Trademarks, Trademark registrations and Trademark applications (excluding any “intent to use” Trademark applications for which a statement of use or amendment to allege use has not been filed with the U.S. Patent and Trademark Office (but only until such statement or amendment is accepted by the U.S. Patent and Trademark Office), and all proceeds thereof, to secure the payment of the Secured Obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor does hereby collaterally assign, pledge and grant to Grantee, for the benefit of the Secured Parties, a continuing security interest in all of such Grantor’s right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the “Trademark Collateral”), whether presently existing or hereafter created or acquired:

- (1) each Trademark registration and Trademark application owned by such Grantor, including, without limitation, the Trademark registrations and Trademark applications referred to in **Schedule 1** annexed hereto;
- (2) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future infringement, misappropriation, dilution, violation or impairment of any Trademark registration owned by such Grantor including, without limitation, the Trademark registrations referred to in **Schedule 1** annexed hereto and the Trademark registrations issued with respect to the Trademark applications referred to in **Schedule 1** annexed hereto.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement and is not intended to increase the rights of Grantee or the obligations of Grantors beyond the rights and obligations contained in the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between any provision of this Trademark Security Agreement and the Security Agreement, the Security Agreement shall govern.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES THEREOF THAT WOULD REQUIRE THE APPLICATION OF LAWS OF ANOTHER JURISDICTION. The terms of Sections 8.09 ("Governing Law, Jurisdiction, Consent to Service of Process") and 8.10 ("WAIVER OF JURY TRIAL") of the Credit Agreement are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

This Trademark Security Agreement and any amendments, waivers, consents, or supplements may be executed via telecopier, facsimile transmission or electronic mail (in a pdf format) in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all of which counterparts together shall constitute one and the same instrument. This Trademark Security Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto.

[Remainder of page intentionally left blank; signature pages follow]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first written above.
