## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (this "Assignment") is made as of this 22nd day of July, 2016, by and among Granite City Tool Company, a Minnesota corporation, Charles W. Sanvik, Roderick C. Sanvik, Stacia H. Sanvik, Willard E. Sanvik, Constance B. Sanvik, CWS Holdings LLC, a Minnesota limited liability company, SHS Holdings, LLC, a Minnesota limited liability company, and RCS Holdings, LLC, a Minnesota limited liability company (collectively, "Assignor"), and Gran Quartz, L.P., a Georgia limited partnership, located at 3950 Steve Reynolds Blvd, Norcross, GA 30093 ("Assignee").

This Assignment is made pursuant to that certain Asset Purchase Agreement (the "Purchase Agreement"), dated as of the date hereof, by and among Assignor and Assignee, concerning the sale and purchase of substantially all of the assets of the Assignor associated with the Business. Capitalized terms used but not defined in this Assignment shall have the meanings ascribed to them in the Purchase Agreement.

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in further consideration of the mutual covenants and agreements contained in the Purchase Agreement, and pursuant to the terms of the Purchase Agreement, Assignor hereby sells, assigns, conveys, transfers and delivers to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to all Intellectual Property associated with the Business or represented by the Purchased Assets, including but not limited to all property listed or described on the Schedule hereto, including the right to use the name "Granite City Tool Company" and any other tradenames or Marks used by the Seller in connection with the Business and any logo or mark, whether or not registered, used in connection with the Business, as well as all goodwill as a going concern and all other intangible properties including all Intellectual Property owned or held, solely or jointly, either: by the Seller; or by the Shareholders and/or the Shareholders' Affiliates and used or held for use in the Business, together with all rights under the International Convention for the Protection of Industrial Property including all rights of priority, and all revisions thereof, to the full end of the term or terms for which the foregoing may be granted, renewed and/or extended, any and all rights of recovery based on past and future infringement of such Intellectual Property and the goodwill symbolized by the Marks and Domain Names included in such Intellectual Property, free and clear of all Liens.

This Assignment is intended to evidence the consummation of the transactions contemplated by the Purchase Agreement and is subject to the terms and conditions set forth in the Purchase Agreement. Nothing contained in this Assignment shall be construed to supersede, limit, qualify or otherwise modify any provision of the Purchase Agreement. To the extent there is a conflict between the terms and provisions of this Assignment and the terms and provisions of the Purchase Agreement, the terms and provisions of the Purchase Agreement shall govern.

This Assignment shall be governed by the laws of the State of Delaware applicable therein without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of Delaware. The parties agree that venue or any suit, action, proceeding or litigation arising out of or in relation to this Agreement shall be exclusively in any federal or state court in Hennepin County, Minnesota having subject matter jurisdiction.

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. This Assignment may be delivered by means of a facsimile machine or e-mail of a PDF file containing a copy of an executed agreement (or signature page thereto), and such delivery shall be treated in all respects and for all purposes as an original agreement or instrument and shall have the same binding legal effect as if it were the original signed version thereof.
