### Recitals

A. The Grantors, the other loan parties party thereto, the lenders party thereto, and the Administrative Agent are entering into an Amended and Restated Credit Agreement dated as the date hereof (as it may be further amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”).

B. In connection with the Credit Agreement, the Grantors are entering into an Amended and Restated Pledge and Security Agreement dated as of the date hereof with the Administrative Agent (as further amended, restated, supplemented, or otherwise modified from time to time, the “Security Agreement”). All capitalized terms used but not defined herein shall have the respective meanings ascribed thereto in the Security Agreement.

C. Pursuant to the terms of the Security Agreement, each Grantor pledged, assigned, and granted to the Administrative Agent, on behalf of and for the ratable benefit of the Lenders, a first-priority security interest in substantially all of the assets of such Grantor, including all right, title, and interest of such Grantor in, to, and under all now owned and hereafter acquired Patents, patent applications, patent licenses, Trademarks, trademark applications, and trademark licenses, and all products and proceeds thereof, to secure the prompt and complete payment and performance of the Secured Obligations as (defined in the Credit Agreement).

D. Pursuant to the terms of the Security Agreement, the Grantors are required to execute and deliver to the Administrative Agent, for the ratable benefit of the Lenders, this Agreement.

### Agreement

In consideration of the recitals set forth above and the mutual agreements contained herein and in the Credit Agreement and other Loan Documents, each Grantor hereby grants to the Administrative Agent, for the benefit of the Lenders, to secure the Secured Obligations, a continuing security interest in all of such Grantor’s right, title, and interest in, to, and under the following, whether now owned by or owing to, or hereafter acquired by or arising in favor of such Grantor (including any trade name or derivations thereof):

- (1) each trademark and trademark application, including without limitation, each trademark and trademark application referred to in Schedule 1 attached hereto, together with any reissues, continuations, or extensions thereof and all goodwill associated therewith;
- (2) each trademark license, including without limitation, each trademark license listed on Schedule 1 attached hereto, together with all goodwill associated therewith;
- (3) all products and proceeds of the foregoing, including without limitation, any claim by the Grantor against third parties for past, present, or future infringement of any trademark, including without limitation, any trademark referred to in Schedule 1 attached hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1, and any trademark licensed under any trademark license listed on Schedule 1 attached hereto (items 1 through 3 being herein collectively referred to as the "Trademark Collateral");
- (4) each patent and patent application, including without limitation, each patent referred to in Schedule 2 attached hereto, together with any reissues, continuations, or extensions thereof and all goodwill associated therewith;
- (5) each patent license, including without limitation, each patent license listed on Schedule 2 attached hereto, together with all goodwill associated therewith;
- (6) all products and proceeds of the foregoing, including without limitation, any claim by the Grantor against third parties for past, present, or future infringement of any patent, including without limitation, any patent referred to in Schedule 2 attached hereto, any patent issued pursuant to a patent application, and any patent licensed under any patent license listed on Schedule 2 attached hereto (items 4 through 6 being herein collectively referred to as the "Patent Collateral").

The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement; provided, however, that nothing in this Agreement shall expand, limit, or otherwise modify the security interests granted in the Security Agreement. Each Grantor acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral and the Patent Collateral made and granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Each of the parties hereto acknowledges and agrees that this Agreement collectively amends and restates (1) Patent and Trademark Security Agreement dated November 8, 2013 among Backyard Products, LLC, a Delaware limited liability company, Backyard Storage Solutions, LLC, a Delaware limited liability company, Backyard Services, LLC, a Delaware limited liability company, Backyard Play Systems, LLC, a Delaware limited liability company, Backyard Services Canada, LLC, a Delaware limited liability company, Backyard Kids, LLC, a Delaware limited liability company, Backyard Swing-N-Slide Play Systems, LLC, a Delaware limited liability company, Backyard Swing-N-Slide Play Systems Real Estate, LLC, a Delaware limited liability company, Backyard DISC Company, Inc., a Michigan corporation, and Backyard Products Canada Co., a Canadian corporation, in favor of JPMorgan Chase Bank, N.A., a national banking association, (2) Patent and Trademark Security Agreement dated September 9, 2016 by Studio Shed Acquisition, LLC, a Delaware limited liability company, in favor of JPMorgan Chase Bank, N.A., a national banking association, (3) Patent and Trademark Security Agreement dated August 31, 2017 by Backyard PlayNation, LLC, a Delaware limited liability company,

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

This Agreement shall be governed by, and construed in accordance with, the internal laws (and not the law of conflicts) of the State of New York, but giving effect to federal laws applicable to national banks.
