SECURITY AGREEMENT - GENERAL INTANGIBLES
(PATENTS, TRADEMARKS, COPYRIGHTS, COMPUTER SOFTWARE)

1. THE SECURITY. The undersigned Odwalla, Inc., a California corporation, and Fresh Samantha, Inc., a Maine corporation (each a "Borrower" and collectively, "Borrowers") for valuable consideration hereby grant to BANK OF AMERICA, N.A. ("Bank"), a security interest in any right, title, or interest of any Borrower in or to the following described personal property, whether now owned or hereafter acquired ("Collateral"):

A. All patents and patent applications and all rights corresponding thereto throughout the world, and all unpatented or unpatentable developments and inventions.

B. All trademarks, service marks, logos, and all United States, state and/or foreign applications for registration and registrations thereof, all trade names, trade styles, designs, and the like, all elements of package or trade dress of goods, the goodwill of any Borrower's business connected with the use of, and symbolized by any of the above, and all property of any Borrower necessary to produce any products sold under any of the above.

C. All copyrights and copyrighted works, all derivative works thereof, all mask works of semiconductor chip products, and United States and/or foreign applications for registration and registrations thereof.

D. All computer software programs developed or to be developed by any Borrower or in which any Borrower asserts or could assert a proprietary interest; all personal property, including but not limited to source codes, object codes or similar information, which is necessary to the practical utilization of such programs; all tangible property of any Borrower embodying or incorporating any such programs.

E. All trade secrets, proprietary information, customer lists, instructional materials, working drawings, manufacturing techniques, process technology documentation, and product formulations.

F. All rights to damages or profits due or accrued arising out of past, present or future infringement of the Collateral or injury to any Borrower's good will connected with the use of the Collateral and the right to sue therefor.

G. All renewals, modifications, amendments, re-issues, divisions, continuations in whole or part, and extensions of any Collateral.

H. All proceeds of any Collateral.

provided, however, that the term "Collateral" shall not include, and the Borrowers shall not be deemed to have granted a security interest in, any agreement, document or instrument which relates to the foregoing Collateral to the extent such agreement, document or instrument is not assignable or capable of being encumbered as a matter of law or under the terms of the agreement, document or instrument applicable thereto or such grant would result in a breach of the terms of such agreement, document or instrument (but, in each case, solely to the extent that any such restriction shall be enforceable under applicable law) without the consent of the applicable party thereto, and, in each case, only to the extent that any such term would be rendered ineffective pursuant to Sections 9406, 9407 and 9408 of the Uniform Commercial Code of any relevant jurisdiction.

2. **THE INDEBTEDNESS.** The Collateral secures and will secure all Indebtedness of Borrowers to Bank. For the purposes of this Agreement, "Indebtedness" shall mean all loans and advances made by Bank to any Borrower and all obligations and liabilities of each Borrower to Bank, whether now existing or hereafter incurred or created, whether voluntary or involuntary, whether due or not due, whether absolute or contingent (including but not limited to obligations of any Borrower as a guarantor of the indebtedness of another), and whether incurred directly or acquired by Bank by assignment or otherwise. Unless Borrowers shall have otherwise agreed in writing, "Indebtedness" shall not include "consumer credit" subject to the disclosure requirements of the Federal Truth in Lending Act or any regulations promulgated thereunder.

3. **WARRANTIES AND REPRESENTATIONS.** Each Borrower represents and warrants to Bank as follows:

A. Exhibit A to this Agreement is a complete list of all patents, trademark and service mark registrations, copyright registrations, mask work registrations, and all applications therefor, in which any Borrower has any right, title, or interest, throughout the world.

B. Each Borrower has full power and authority to execute this Agreement and perform its obligations hereunder, and to subject the Collateral to the security interest transferred hereby.

C. Borrowers are the lawful owners of the entire right, title and interest in and to all the Collateral, free and clear of all liens, charges, encumbrances, claims of infringement, setoffs, counterclaims, licenses, shop rights, and covenants not to sue third persons, except as Bank has consented to in writing and except for licenses entered into by Borrowers in the ordinary course of business.

4. **BORROWER'S COVENANTS.** Each Borrower covenants and agrees that, unless compliance is waived by Bank in writing:

A. Borrowers will at their expense properly maintain the Collateral and shall not fail to renew and shall not otherwise abandon any Collateral unless Borrowers determine otherwise in their reasonable business judgment. Borrowers will, at their expense, diligently prosecute all patent, trademark or service mark or copyright applications pending on or after the date hereof, will maintain in effect all issued patents and will renew all trademark and service mark registrations, including payment of any and all maintenance and renewal fees relating thereto unless Borrowers determine otherwise in their reasonable business judgment.

B. Borrowers will at their expense protect and defend all rights in the Collateral against any claims and demands of all persons other than the Bank and will, at their expense, enforce all rights in the Collateral against any and all infringers of the Collateral. Except as may be consistent with past practice in the ordinary course of such Borrower's business, no Borrower will license any of the Collateral except with Bank's prior written consent. No Borrower will transfer any of the Collateral except with Bank's prior written consent.

C. Each Borrower will notify Bank in writing prior to any change in such Borrower's place of business or, if such Borrower has or acquires more than one place of business, prior to any change in such Borrower's chief executive office or headquarters.

D. Borrowers will notify Bank within 60 days of the end of each calendar quarter of any acquisition (by adoption and use, purchase, license or otherwise) of any United

States patent, trademark or service mark registration, copyright registration, mask work registration, and applications therefor, which are granted or filed or acquired after the date hereof or which are not listed on Exhibit A hereto. Each Borrower authorizes Bank, without notice to Borrowers, to modify this Agreement by amending Exhibit A to include any such Collateral.

E. Borrowers will promptly notify Bank of any legal process which is levied against the Collateral and any other event which may have a material adverse effect on the value of the Collateral, taken as a whole (including, but not limited to, conduct which might infringe on any Collateral) or the rights and remedies of Bank in relation thereto.

F. Each Borrower will, at the request of Bank, execute such other agreements, documents or instruments in connection with this Agreement as Bank may reasonably deem necessary, including, but not limited to, those documents prepared by Bank which, at Bank's option, Bank chooses to record with any governmental entity, in any State or at the Federal level, relating to the security interest Bank holds in the Collateral.

G. Borrowers will pay to Bank, within 5 business days after demand, the amounts of any fees required to be paid in connection with recordation of this Agreement or any other agreement, document, or instrument evidencing Bank's security interest and any other rights in or to the Collateral.

5. **DEFAULTS.** Any one or more of the "events of default" as described in that certain Business Loan Agreement of even date between Borrower and Bank shall be a default (each an "event of default") hereunder.

6. **BANK'S REMEDIES AFTER DEFAULT.** In the event of any event of default Bank may do any one or more of the following:

A. Declare any Indebtedness secured hereby immediately due and payable.

B. Enforce the security interest given hereunder pursuant to the Uniform Commercial Code and any other law.

7. **MISCELLANEOUS.**

A. In the event of a sale of Collateral (whether under power of sale herein granted, pursuant to judicial process or otherwise), each Borrower will duly execute and acknowledge all documents necessary or advisable to record title to such Collateral in the name of the purchaser, including, without limitation, valid and recordable assignments of such Collateral.

B. Each Borrower hereby appoints Bank, effective upon the occurrence and during the continuance of a default hereunder, such Borrower's attorney-in-fact, with full authority to take any action and to execute any instrument which the Bank may deem necessary or advisable to accomplish the purposes of this Agreement. Such appointment of Bank as such Borrower's attorney-in-fact is coupled with an interest and is irrevocable.

C. Any waiver, expressed or implied, of any provision hereunder and any delay or failure by Bank to enforce any provision shall not preclude Bank from enforcing any such provision thereafter.

D. This Agreement shall be governed by and construed according to the laws of the State of California, to the jurisdiction of which each Borrower submits.

E. All rights and remedies herein provided are cumulative and not exclusive of any rights or remedies otherwise provided by law. Any single or partial exercise of any right or remedy shall not preclude the further exercise thereof or the exercise of any other right or remedy.

F. All terms not defined herein are used as set forth in the Uniform Commercial Code.

G. In the event of any action by Bank to enforce this Agreement or to protect the security interest of Bank in the Collateral, Borrowers agree to pay within 5 business days after demand the costs thereof, reasonable attorney's fees and other expenses.

H. This Agreement and any agreement or document attached hereto, referred to herein or executed concurrently herewith, integrate all the terms and conditions mentioned herein or incidental hereto, and supersede all oral negotiations and prior writings in respect to the subject matter hereof.
