TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT

THIS TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT (this "Agreement"), dated as of June 4, 2021, is by and between Renfro LLC, a Delaware limited liability company ("Debtor"), with its chief executive office at 661 Linville Road Mount Airy, NC 27030, and Wells Fargo Bank, National Association, a national banking association, in its capacity as administrative agent and collateral agent pursuant to the Loan Agreement (as hereinafter defined), acting for and on behalf of the parties thereto as lenders and as otherwise provided therein (in such capacity, "Agent"), having an office at 150 East 42nd Street, New York, New York 10017.

WITNESSETH:

WHEREAS, Debtor has adopted, used and is using, and is the owner of the entire right, title, and interest in and to the trademarks, trade names, terms, designs and applications therefor described in Exhibit A hereto and made a part hereof;

WHEREAS, Agent has agreed to make certain financial accommodations available to Debtor from time to time pursuant to the terms and conditions of the Loan and Security Agreement, dated as of the date hereof, among Agent, the parties thereto as lenders (collectively, "Lenders"), Debtor and those additional entities that hereafter become Borrowers pursuant to the terms of the Loan Agreement (together with Debtor, each a "Borrower" and individually and collectively, jointly and severally, "Borrowers") and FourKorners LLC, a Delaware limited liability company ("Holdings"), and certain subsidiaries of Holdings and those additional entities that hereafter become Guarantors in accordance with the Loan Agreement (together with Holdings, each a "Guarantor" and individually and collectively, jointly and severally, "Guarantors") (as same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "Loan Agreement") and other agreements, documents and instruments referred to therein or at any time executed and/or delivered in connection with the Loan Agreement or related thereto, including, but not limited to, this Agreement (all of the foregoing, together with the Loan Agreement, as the same now exist or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, being collectively referred to herein as the "Financing Agreements"); and

WHEREAS, in order to induce Agent and Lenders to enter into the Loan Agreement and the other Financing Agreements and to make financial accommodations to Debtor pursuant thereto, Debtor has agreed to execute and deliver to Agent this Agreement as set forth herein;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. GRANT OF SECURITY INTEREST. As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations (as defined in the Loan Agreement), Debtor hereby grants to Agent, for itself and on behalf of the Secured

Parties (as such term is defined in the Loan Agreement), a continuing security interest in and a general lien upon, and a conditional assignment of (which shall not be deemed to be a present or absolute assignment), the following (being collectively referred to herein as the "Collateral"):

(a) all of Debtor's now existing or hereafter acquired right, title, and interest in and to: (i) all of Debtor's trademarks, tradenames, trade styles and service marks and all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States of America, any State thereof, any political subdivision thereof or in any other country, including, without limitation, the trademarks, terms, designs and applications described in Exhibit A hereto, together with all rights and privileges arising under applicable law with respect to Debtor's use of any trademarks, tradenames, trade styles and service marks, and all reissues, extensions, continuation and renewals thereof (all of the foregoing being collectively referred to herein as the "Trademarks"); provided, that, no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law; and (ii) all prints and labels on which such trademarks, tradenames, tradestyles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; (c) all present and future license and distribution agreements (subject to the rights of the licensors therein) pertaining to the Trademarks, (d) all income, fees, royalties and other payments at any time due or payable with respect thereto, including, without limitation, payments under all licenses at any time entered into in connection therewith; (e) the right to sue for past, present and future infringements thereof; (f) all rights corresponding thereto throughout the world; and (g) any and all other proceeds of any of the foregoing, including, without limitation, all damages and payments or claims by Debtor against third parties for past or future infringement of the Trademarks.

2. OBLIGATIONS SECURED. The security interest, lien and other interests granted to Agent, for itself and the benefit of the other Secured Parties, pursuant to this Agreement shall secure the prompt performance, observance and payment in full of any and all of the Obligations.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS. Debtor hereby represents, warrants and covenants with and to Agent and Lenders the following (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding):

(a) Debtor shall pay and perform all of the Obligations according to their terms.

(b) All of the existing Collateral is valid and subsisting in full force and effect, and Debtor owns the sole, full and clear title thereto, and the right and power to grant the security interest and conditional assignment granted hereunder; provided, that, Debtor shall not be required to take any such action with respect to any Trademark to the extent that Debtor would also be permitted to abandon such Trademark under Section 3(i) below if (i) in Debtor's good faith business judgment, there is a reasonable and valid business reason for taking or omitting to take such action and (ii) the taking or omitting to take such action would not have or reasonably be expected to have a Material Adverse Effect. Debtor shall, at Debtor's expense, perform all

acts and execute all documents necessary to maintain the existence of the Collateral consisting of registered Trademarks as registered trademarks and to maintain the existence of all of the Collateral as valid and subsisting, including, without limitation, the filing of any renewal affidavits and applications. The Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except: (iii) the security interests granted hereunder and pursuant to the Loan Agreement, (iv) the security interests permitted under the Loan Agreement, and (v) the licenses permitted under Section 3(e) below.

(c) Debtor shall not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Collateral, or otherwise dispose of any of the Collateral, in each case without the prior written consent of Agent, except as otherwise permitted herein or in the Loan Agreement. Nothing in this Agreement shall be deemed a consent by Agent or any Lender to any such action, except as such action is expressly permitted hereunder.

(d) Debtor shall, at Debtor's expense, promptly perform all acts and execute all documents requested at any time by Agent to evidence, perfect, maintain, record or enforce the security interest in and conditional assignment of the Collateral granted hereunder or to otherwise further the provisions of this Agreement. Debtor hereby authorizes Agent to file one or more financing statements (or similar documents) with respect to the Collateral. Debtor further authorizes Agent to have this Agreement or any other similar security agreement filed with the United States Commissioner of Patents and Trademarks or any other appropriate federal, state or government office, or corresponding government offices in countries other than the United States of America.

(e) As of the date hereof, Debtor does not have any Trademarks registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States of America, any State thereof, any political subdivision thereof or in any other country, other than those described in Exhibit A hereto and has not granted any licenses with respect thereto other than as set forth in Exhibit B hereto.

(f) Debtor shall, concurrently with the execution and delivery of this Agreement, execute and deliver to Agent five (5) originals of a Special Power of Attorney in the form of Exhibit C annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Agent's exercise of the rights and remedies granted to Agent hereunder.

(g) Agent may, in its discretion, pay any amount or do any act which Debtor fails to pay or do as required hereunder or as requested by Agent to preserve, defend, protect, maintain, record or enforce the Obligations, the Collateral, or the security interest and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, attorneys' fees and legal expenses. Debtor shall be liable to Agent for any such payment, which payment shall be deemed an advance by Agent to Debtor, shall be payable on demand together with interest at the rate then applicable to the Obligations set forth in the Loan Agreement and shall be part of the Obligations secured hereby.

(h) Debtor shall notify Agent within thirty (30) days of filing any application for the registration of a Trademark with the United States Patent and Trademark Office or any similar

office or agency in the United States of America, any State thereof, any political subdivision thereof or in any other country. If, after the date hereof, Debtor shall (i) obtain any registered trademark or tradename, or apply for any such registration in the United States Patent and Trademark Office or in any similar office or agency in the United States of America, any State thereof, any political subdivision thereof or in any other country, or (ii) become the owner of any trademark registrations or applications for trademark registration used in the United States of America or any State thereof, political subdivision thereof or in any other country, the provisions of Section 1 hereof shall automatically apply thereto. Upon the request of Agent, Debtor shall promptly execute and deliver to Agent any and all assignments, agreements, instruments, documents and such other papers as may be requested by Agent to evidence the security interest in and conditional assignment of such Trademark in favor of Agent.

(i) Debtor has not abandoned any of the Trademarks and Debtor will not do any act, nor omit to do any act, whereby the Trademarks may become abandoned, invalidated, unenforceable, avoided, or avoidable; provided, that, Debtor may, after written notice to Agent, abandon, cancel, not renew or otherwise not maintain a Trademark so long as (i) such Trademark is no longer used or useful in the business of Debtor or any of its affiliates or subsidiaries, (ii) such Trademark has not been used in the business of Debtor or any of its affiliates or subsidiaries for a period of six (6) consecutive months, (iii) such Trademark is not otherwise material to the business of Debtor or any of its affiliates or subsidiaries in any respect, (iv) such Trademark has little or no value, and (v) no Default (as defined in the Loan Agreement) or Event of Default (as hereinafter defined) shall exist or have occurred and be continuing as of such time. Debtor shall notify Agent immediately if it knows or has reason to know of any reason why any application, registration, or recording with respect to the Trademarks may become abandoned, canceled, invalidated, avoided, or avoidable.

(j) Debtor shall render any assistance, as Agent shall determine is necessary, to Agent in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States of America, any State thereof, any political subdivision thereof or in any other country, to maintain such application and registration of the Trademarks as Debtor's exclusive property and to protect Agent's interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(k) No material infringement or unauthorized use presently is being made of any of the Trademarks that would adversely affect in any material respect the fair market value of the Collateral or the benefits of this Agreement granted to Agent and Lenders, including, without limitation, the validity, priority or perfection of the security interest granted herein or the remedies of Agent hereunder. There has been no judgment holding any of the Trademarks invalid or unenforceable, in whole or in part, nor is the validity or enforceability of any of the Trademarks presently being questioned in any litigation or proceeding to which Debtor is a party. Debtor shall promptly notify Agent if Debtor (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design which infringes on any Trademark or is likely to cause confusion with any Trademark. If requested by Agent, Debtor, at Debtor's expense, shall join with Agent in such action as Agent, in Agent's discretion, may deem advisable for the protection of Agent's interest in and to the Trademarks.

(l) Debtor assumes all responsibility and liability arising from the use of the Trademarks and Debtor hereby indemnifies and holds Agent and Lenders harmless from and against any claim, suit, loss, damage, or expense (including reasonable attorneys' fees and reasonable legal expenses) arising out of any alleged defect in any product manufactured, promoted, or sold by Debtor (or any affiliate or subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale or advertisement of any such product by Debtor (or any affiliate or subsidiary thereof). The foregoing indemnity shall survive the payment of the Obligations, the termination of this Agreement and the termination or non-renewal of the Loan Agreement.

(m) Debtor shall promptly pay Agent and Lenders for any and all expenditures made by Agent pursuant to the provisions of this Agreement or for the defense, protection or enforcement of the Obligations, the Collateral, or the security interests and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees (limited to filing and recording fees of any federal or state Governmental Authority in the United States and any corresponding government office in Canada), court costs, collection charges, travel expenses, and reasonable attorneys' fees and reasonable legal expenses. Such expenditures shall be payable on demand, together with interest at the rate then applicable to the Obligations set forth in the Financing Agreements and shall be part of the Obligations secured hereby.

4. EVENTS OF DEFAULT. All Obligations shall become immediately due and payable, without notice or demand, at the option of Agent, upon the occurrence of any Event of Default, as such term is defined in the Loan Agreement (each an "Event of Default" hereunder).

5. RIGHTS AND REMEDIES. At any time an Event of Default exists or has occurred and is continuing, in addition to all other rights and remedies of Agent or any of the other Secured Parties, whether provided under this Agreement, the Loan Agreement, the other Financing Agreements, applicable law or otherwise, Agent shall have the following rights and remedies which may be exercised without notice to, or consent by, Debtor except as such notice or consent is expressly provided for hereunder:

(a) Agent may require that neither Debtor nor any affiliate or subsidiary of Debtor make any use of the Trademarks or any marks similar thereto for any purpose whatsoever. Agent may make use of any Trademarks for the sale of goods, completion of work-in-process or rendering of services or otherwise in connection with enforcing any other security interest granted to Agent by Debtor or any subsidiary or affiliate of Debtor or for such other reason as Agent may determine.

(b) Agent may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Agent shall in its discretion deem appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) Agent may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Debtor of intended disposition of Collateral is required by law, the giving of ten (10) days prior written notice to Debtor of any proposed disposition shall be deemed reasonable notice thereof and

Debtor waives any other notice with respect thereto. Agent shall have the power to buy the Collateral or any part thereof, and Agent shall also have the power to execute assurances and perform all other acts which Agent may, in its discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, Debtor shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to the terms hereof, upon the occurrence and during the continuance of an Event of Default, Agent may at any time execute and deliver on behalf of Debtor, pursuant to the authority granted in the Powers of Attorney described in Section 3(f) hereof, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Debtor agrees to pay Agent on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and attorneys' fees and legal expenses. Debtor agrees that Agent and Secured Parties have no obligation to preserve rights to the Trademarks against any other parties.

(e) Agent may first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral to the costs and expenses thereof, including, without limitation, attorneys' fees and all legal, travel and other expenses which may be incurred by Agent. Thereafter, Agent may apply any remaining proceeds to such of the Obligations as Agent may in its discretion determine. Debtor shall remain liable to Agent and any of the other Secured Parties for any of the Obligations remaining unpaid after the application of such proceeds, and Debtor shall pay Agent on demand any such unpaid amount, together with interest at the rate then applicable to the Obligations set forth in the Loan Agreement.

(f) Debtor shall supply to Agent or to Agent's designee, Debtor's knowledge and expertise relating to the manufacture, sale and distribution of the products and services bearing the Trademarks and Debtor's customer lists and other records relating to the Trademarks and the distribution thereof.

(g) All of Agent's rights and remedies, whether provided under this Agreement, the other Financing Agreements, applicable law, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently. No failure or delay on the part of Agent or any other Secured Party in exercising any of its options, power or rights or partial or single exercise thereof, shall constitute a waiver of such option, power or right.

6. CHOICE OF LAW AND VENUE; JURY TRIAL WAIVER; JUDICIAL REFERENCE PROVISION. THIS AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE SET FORTH IN **SECTION 11** OF THE LOAN AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.

any of the Secured Parties pursuant to the definitions set forth in the recitals hereto, or to any other person herein, shall include their respective successors and assigns. The words “hereof,” “herein,” “hereunder,” “this Agreement” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not any particular provision of this Agreement and as this Agreement now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced. An Event of Default shall exist or continue or be continuing until such Event of Default is waived in accordance with Section 7(f) hereof. All references to the term “Person” or “person” herein shall mean any individual, sole proprietorship, partnership, corporation (including, without limitation, any corporation which elects subchapter S status under the Internal Revenue Code of 1986, as amended), limited liability company, limited liability partnership, business trust, unincorporated association, joint stock company, trust, joint venture or other entity or any government or any agency or instrumentality or political subdivision thereof.

(e) If any provision of this Agreement is held to be invalid or unenforceable, such invalidity or unenforceability shall not invalidate this Agreement as a whole, but this Agreement shall be construed as though it did not contain the particular provision held to be invalid or unenforceable and the rights and obligations of the parties shall be construed and enforced only to such extent as shall be permitted by applicable law.

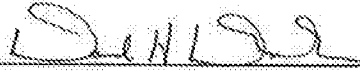

(f) Neither this Agreement nor any provision hereof shall be amended, modified, waived or discharged orally or by course of conduct, but only by a written agreement signed by an authorized officer of Agent. Neither Agent nor any of the other Secured Parties shall, by any act, delay, omission or otherwise be deemed to have expressly or impliedly waived any of their respective rights, powers and/or remedies unless such waiver shall be in writing and signed by an authorized officer of Agent. Any such waiver shall be enforceable only to the extent specifically set forth therein. A waiver by Agent of any right, power and/or remedy on any one occasion shall not be construed as a bar to or waiver of any such right, power and/or remedy which Agent would otherwise have on any future occasion, whether similar in kind or otherwise.

(g) This Agreement may be executed by means of (a) an electronic signature that complies with the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, or any other relevant and applicable electronic signatures law; (b) an original manual signature; or (c) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Agent reserves the right, in its sole discretion, to accept, deny, or condition acceptance of any electronic signature on this Agreement. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute only one instrument.
