TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of October 14, 2021 (as amended, restated, supplemented or otherwise modified from time to time, this “**Agreement**”), is made by Trax Technology Solutions Pte. Ltd., a company incorporated in Singapore with company registration number 201023920E, Trax Retail, Inc., a Delaware corporation, and shopkick, Inc., a Delaware corporation (collectively, the “**Grantors**”), in favor of Alter Domus (US) LLC, as administrative agent for the Secured Parties (in such capacity and together with its successors and permitted assigns, the “**Administrative Agent**”).

WHEREAS the Grantors are parties to a Guarantee and Collateral Agreement, dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “**Collateral Agreement**”) among the Grantors, the other grantors from time to time party thereto and the Administrative Agent, pursuant to which the Grantors granted a security interest to the Administrative Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Administrative Agent as follows:

SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms used herein (including in the preamble of this Agreement) shall have the meanings given to them in the Collateral Agreement and the Credit Agreement (as defined in the Collateral Agreement), as applicable.

SECTION 2. GRANT OF SECURITY INTEREST

SECTION 2.1 Scope of Grant. Each Grantor, as security for the payment and performance in full of the Obligations, hereby pledges to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, and hereby grants to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by each Grantor or in which each Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

- (i) all registered trademarks, service marks, trade names, corporate names, domain names, company names, trade styles, trade dress, logos, designs, business names, fictitious business names, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (“**USPTO**”) (or any successor office) and trademark offices outside the United States, including the registrations and registrations applications listed in

Schedule A hereto, and all extensions or renewals thereof, as well as all goodwill connected with the use thereof and symbolized thereby,

(ii) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages or payments for past, present and future infringements of any of the foregoing, and

(iii) all rights corresponding to the foregoing throughout the world; and

(iv) to the extent not otherwise included, all proceeds and products of any and all of the foregoing, all accessions to any of the foregoing and all collateral security and Supporting Obligations (as now or hereafter defined in the UCC) given by any Person with respect to any of the foregoing.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 attach to any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing, and acceptance by the USPTO, of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability or render void or result in the cancellation of, any registration issued as a result of such “intent to use” trademark application under any applicable federal law.

SECTION 3. COLLATERAL AGREEMENT

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the ratable benefit of itself and the Secured Parties pursuant to the Collateral Agreement, and each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall control.

SECTION 4. RECORDATION

Each Grantor hereby authorizes and requests that the USPTO and other like trademark offices throughout the world record this Agreement.

SECTION 5. TERMINATION

This Agreement shall automatically terminate and the lien on and security interest in the Trademark Collateral shall be automatically released upon the payment in full in cash of all the Obligations and the expiration of the Commitments (other than contingent or inchoate obligations for which no claim has been asserted). Upon the termination of this Agreement, the Administrative

Agent shall, at the sole expense of the Grantors, execute all documents, make all filings and take all other actions reasonably requested by the Grantors to evidence and record the release of the lien on and security interests in the Trademark Collateral granted herein.

SECTION 6. GOVERNING LAW

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO CONFLICTS OF LAWS.

SECTION 7. COUNTERPARTS

This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and shall be binding upon all parties, their successors and assigns, and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement or any document or instrument delivered in connection herewith by e-mail or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement or such other document or instrument, as applicable.
