TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Trademark Security Agreement") dated November 8, 2021, is made by the Persons listed on the signature pages hereof (collectively, the "Grantors") in favor of Bank of America, N.A., as administrative agent and collateral agent (the "Administrative Agent") for the Secured Parties (as defined in the Credit Agreement referred to below).

Reference is hereby made to that certain Amended and Restated Credit Agreement, dated as of November 8, 2021 (as amended, restated, amended and restated, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among The Golub Corporation, a Delaware corporation (the "Lead Administrative Borrower"), Tops Markets Corporation, a Delaware corporation ("Tops"), and together with the Lead Administrative Borrower, collectively, the "Lead Borrowers"), the other Borrowers party thereto from time to time (collectively, together with the Lead Borrowers, the "Borrowers"), Project P Intermediate 2, LLC, a Delaware limited liability company ("Holdings"), the Subsidiaries of Holdings (other than the Borrowers) party thereto from time to time as Facility Guarantors (collectively, together with Holdings, the "Guarantors"), the lenders party thereto from time to time (each a "Lender", and collectively, the "Lenders"), Bank of America, N.A., as Administrative Agent, an Issuing Bank, and Swingline Lender for the Lenders, and the other agents and arrangers party thereto from time to time.

WHEREAS, as a condition precedent to the Lenders making any loans or otherwise extending credit to and each Issuing Bank issuing, extending or renewing Letters of Credit for the benefit of the Borrowers under the Credit Agreement, each Grantor has executed and delivered that certain Amended and Restated Security Agreement, dated as of November 8, 2021, made by the Grantors to the Administrative Agent (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement").

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain Intellectual Property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the USPTO and any similar offices in any State of the United States.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

Section 1. Terms. Terms defined in the Credit Agreement and Security Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement and Security Agreement.

Section 2. Grant of Security. Each Grantor hereby grants to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a continuing security interest in and to all of the Grantor's right, title and interest in the Trademarks (other than intent-to-use

trademark applications constituting Excluded Property), including, without limitation, the Trademarks set forth on Schedule A attached hereto (the "Trademark Collateral").

Section 3. Security for Obligations. The grant of a security interest in the Trademark Collateral by each Grantor under this Trademark Security Agreement is made to secure the payment or performance, as the case may be, in full of the Secured Obligations.

Section 4. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer of the USPTO or any similar office in any State of the United States record this Trademark Security Agreement.

Section 5. Execution in Counterparts. This Trademark Security Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Trademark Security Agreement (each a "Communication"), including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Grantors agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on each of the Grantors to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of each of the Grantors enforceable against such in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Administrative Agent and each of the Secured Parties of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Secured Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of that such Person's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity, and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; *provided, further*, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Secured Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Grantor without further verification, and (b) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

Section 6. Security Agreement. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and

remedies of, the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.
